Letter from the Board

It's been another crazy Michigan spring! Are we that surprised? And all the gear needed to endure this weather - from winter coats & gloves, to t-shirts, hats & sunscreen to rain jackets, sweatshirts & boots, we are prepared for all! Let's hope June brings more consistently sunny days and warmer temperatures.

Most of us have started working on our projects - tidying up, weeding, trimming, excited to fill a new space. No time like the present to try something new. Enjoy the company of your gardening friends while being surrounded by the sights, sounds and smells of nature.

REMINDER: There will be 3 openings on the MCMGA board this fall. Serving as an officer is a great way to gain a deeper insight into our organization. If you're curious about what's involved, please ask any of the board members about their experiences and learn how each officer contributes our mission to educate and serve the community. It's a worthwhile and rewarding experience.
