2024 Green Fees: For Talon Club Members, there will be an increase in Green Fees this season \$65 green fees plus \$5.00 Kitty money, total \$70. Non-Talon Club Members will pay the regular rack rate plus \$5.00 Kitty money. Kitty money will be collected in cash at check in. Special Events: We have a Club-to-Club "D'Hawk Event" with Red Hawk Women's Club, a Special Guest Day with an Awards Luncheon, and our Club Championship Captain's Cup with a participant's luncheon on the second day. We host an opening and closing General Membership Meeting with Breakfast (Spring & Fall). We have a year-end Awards and Christmas Party. During our season, we hold a 50/50 drawing on our playdays to help support our Special Events.

Season Long Eclectic: Your scores are kept from week to week on the Lakes/Hills courses and your best score on each hole is recorded. If for any reason you have disqualified (DQ'd) yourself, your scores will **NOT** be recorded for that week.

New Members: If you are new to our Club, we will pair you with an established member of our club who is familiar with the courses. We are anxious to welcome you and get you acquainted with our members

We request that everyone return their application and fees by May 1st to be considered for "Most Improved Golfer" and the "Season long Eclectic". However, our membership is always open. Be sure to include your email address, all correspondence will be by email and website only.

- **Sign-ups for the month of April will be available on March 15th**
