Season Long Eclectic: Your scores are kept from week to week on the Lakes/Hills courses and your best score on each hole is recorded. If for any reason you have disqualified yourself, your scores will **NOT** be recorded for that week.

New Members: If you are new to our Club, we will pair you with an established member who is familiar with the courses. We are anxious to welcome you and get you acquainted with our members.

We request that everyone return their application and fees by May 1st to be considered for "Most Improved Golfer" and the "Season long Eclectic". However, our membership is always open. Be sure to include your email address, all correspondence will be by email and website.
