

"Floating thrombus : Management Strategies" Delivered a talk at 26th Annual Conference of Indian Society of Neuroradiology (ISNR 2025) at NIMHANS, Bengaluru.

11:50	12:00	Considerations and Learnings with Newer Generation Flow Diverters: Assessment of frequency, clinical impact and potential factors of flow diverter braid deformations (FDBD)	Dr Haughton Signe
12:00	13:00	DR PRASHANT SHETTY MEMORIAL ORATION (Hall A) - Prof. T R Kapilamoorthy	
13:00	14:00	Lunch Break	
Session 5 - Ischemic Stroke			
14:00	14:20	PRAAN study	Dr Mathew Cherian
14:20	14:40	Diagnostic imaging in acute stroke	Dr Aneesh Mohimen
14:40	15:00	Carotid stenting: Evidence, case selection and procedure	Dr Shailesh Gaikwad
15:00	15:20	Anesthesia & Peri-procedural care in AIS undergoing Mechanical Thrombectomy	Dr Rajeeb Kumar Mishra
15:20	15:40	Super Large Bore Aspiration Catheters: A New Era in the Treatment of Large Vessel Occlusions?	Dr Markus Möhlenbruch
15:40	16:00	Mechanical Thrombectomy-tandem lesions	Dr Amit Sahu
16:00	16:05	Q&A	
16:05	16:20	Tea & Coffee Break	
Session 6 - Ischemic Stroke			
16:20	16:40	ICAD in acute stroke	Dr Anshu Mahajan
16:40	17:00	Large Core Ischemic Stroke Trials - The Evidence and What You Need to Know	Dr Karthikeyan
17:00	17:20	Role of interventions in the management of vertebral and internal carotid arteries dissection	Dr Shyamkumar N Keshava
17:20	17:40		Dr Vikash Jain
17:40	18:00	Floating thrombus: Management strategies	Dr Vikash Jain
