Mask Usage Mandatory Until Further Notice

**The Governor's Business mask mandate begins on Dec 13...
We are getting ahead of that given how busy we are on the weekend and our desire to promote the health and comfort of all of our patrons. Thank you for your understanding and cooperation!**

Please understand that our only other option is to develop a plan to verify customers vaccination status upon entry & Bake For You is not comfortable with that approach nor are we staffed adequately to monitor individuals' status. We are subject to significant fines if we fail to be compliant and appreciate your cooperation. If you do not have a mask with you today, we are happy to immediately provide you with one.

Bake For You has never adopted any policies or procedures based on political persuasions or biases and we hope everyone can recognize the thoughtful application of standard practices that we strive to adhere to. We recognize that our customers have diverse opinions and stances but we feel it is our duty to be as pragmatically cautious as possible. We respect your right to a position but ask that you respect our responsibility as a host to *all* of our guests.
