

**Bake For You specializes in 3 things:
Taste, Simplicity, and Freshness**

We offer a classic, flexible, and utterly delicious 8" 2-layer cake & cupcakes with simple decoration and the freshest "finished as you arrive" buttercream frosting.

All cakes and cupcakes are made the day you pick them up *without exception* using the best ingredients.

There are a million styles and approaches to cakes, and we respect them all, but at Bake For You we specialize in a singular art form and do not veer from it. This enables us to focus 100% on freshness, quality, and consistency!

As much as we would love to entertain everyone's creative ideas, we limit what we do in order to honor our commitments.

All cakes and cupcakes are baked in-house and frosted shortly before your scheduled pickup. All orders

are considered on a first-come first-served basis and daily slots are strictly limited. You will always know *who* baked your cake, *where*, and *when*!

8" Cakes are available individually and Cupcakes are sold by the dozen (same flavor/frosting).
