FEATURED WINES

CASALE DEL GIGLIO "FARO DELLA GUARDIA" BIANCOLELLA

2017 99

A native of Italy's Campania region, the Biancolella grape was introduced to the Island of Ponza from the Island of Ischia. Cultivation of the grape in the Lazio region is authorized exclusively on the Island of Ponza where it grows at the base of a sheer sea cliff surmounted by the imposing lighthouse, 'Il Faro de lla Guardia'. An intense perfume of hawthorn blossom, ripe golden peach and fresh apricot. The palate is flinty and fresh, reminiscent of the 'volcanic –calcareous' vineyard soils and sea breezes that sustain the vine. A lingering fruitiness on the finish and a hint of citrus.

IL BORRO, MERLOT, CABERNET SAUVIGNON, SYRAH

2015 130

"Il Borro" has a deep violet color, with purplish reflections. The bouquet is full and intense, concentrated, with notes of underbrush and with spicy scents. The taste is dry, with good body and soft tannins, a good consistency, well integrated and persistent.

WINE MAKER

Giovanni Valenti and his son Alessandro are part of this movement, having started Cantine Valenti in 2004. Unlike investors that have come from far and wide, the Valentis are proudly from Cantania and thus have always had a strong connection to Etna. Valenti is adamant about organic practices in the vineyard, using only natural products to prevent disease and treat the vines. Giovanni always points out the incredible diversity of plant species on the property and wild herbs that his wife will come and pick to make a few of her great dishes. Grapes are harvested by hand at very low yields, in fact it would be tough for a machine to pass through the terraced vines. Historically, donkeys or other farm animals would be used to help till the land, something that still occurs at Valenti.

CIURI DI LAVA, GRECANICO *SULFITE FREE*

2017 65

An experiment by Valenti that comes from a very tiny vineyard at about 500 meters of elevation. This wine is funky, being made without added sulfites. It is rich, full bodied and it has oxidized notes of grapefruit and melon.
