

PROVIZION

THE LEGACYLINE SYSTEM

The LegacyLine System is how we help our Affiliates grow their businesses, and we invite you to be a part of it. It's a very unique system in that it is highly automated, and by understanding how it works you can ***use it to your advantage*** to increase your earnings potential should you become an Affiliate with us.

Here's How It Works

First, we want you to take your time going through all of the pages of our website to discover everything about our ***3 Rings of Legacy: Longevity – Prosperity – Destiny***. Simply click on all the tabs to watch the videos and read all of our product and other information – it's all there in both basic and more detailed forms.

Next, if you feel you'd like to join us in our vision to help others build their personal legacies of health, abundance, and purpose, you can click on the *Become A WHOLESALE AFFILIATE*. If you'd rather, you can click on the *Become a RETAIL CUSTOMER*. These buttons are found at the bottom of any page and then just fill out the appropriate ***registration form***.

When you choose to become a Wholesale Affiliate you will no longer just be visiting our website, but you will ***"Secure"*** your position in the *LegacyLine System*, allowing you to earn money with Provizion. This is a very important step to take as soon as you can because your position in the *LegacyLine* is directly linked to your earnings potential. Let me explain.

When you have *secured* your position as a Wholesale Affiliate, **everyone** across the **entire** company who becomes an Affiliate **after** you, will be placed **below** you in the Provizion LegacyLine. Each one will have the potential to positively affect your earnings, not just the people **you** sponsor as Affiliates. Therefore, the sooner you secure your position as a Wholesale Affiliate the more potential Affiliates you will have contributing to **your** earning possibilities. **Everyone** who becomes an Affiliate will be contributing to the Provizion LegacyLine, helping you and all below you build your business.

The LegacyLine Pay Team

This is another part of the **Provizion Commission Plan**. Your *Pay Team* is begun and then added to with each person you sponsor as a Wholesale Affiliate, just like any sales team. You will be paid a percentage not only on the product orders of **all** the people that **you** sponsor, but also on the purchases of all the Affiliates *they* sponsor, and then *their Affiliates* sponsor, and *their Affiliates* sponsor, with no limits.

In other words, as you begin to **invite and sponsor** more people and teach them how to do the same, your Pay Team, and therefore your income, will continue to grow. We have in-depth training and marketing tools to help you. (Be sure to go over the *Commission Overview* video found in the **Prosperity** section of our website for more information.)

But that's not where the **automation** ends. The next part is what we call, *the fortune is in the follow up*.

Our **Provizion LegacyLine** has an **automated email system**. That means that the system will automatically send a short series emails to everyone you invite who takes the website tour but has not yet secured a position as a Wholesale Affiliate. These emails remind them of the tour, and to look at the Affiliate and visitor *counters* to see what they are missing. This creates an urgency on behalf of your invitees to secure their position as an Affiliate **quickly** so they can have the maximum number of Affiliates under them in the LegacyLine and improve their earnings potential. These emails are written and sent **for you**.

There are also automatic emails sent to all new Affiliates and new Retail Customers you may sponsor.

Let's Recap The Provision Legacy Line System

First, engage its ***Automated Invitations***. That means you simply send someone a link to this website (embedded with your Affiliate number) where they begin to learn everything about our company, its products, and commission model. Then they decide to become a Wholesale Affiliate or Retail Customer.

Second, is ***Automated Team Building***. The LegacyLine System *automatically* places the Affiliates *you* invited into *your* organization within the entire company LegacyLine.

Third, is ***Automated Follow-up***. We write and send out the emails *for* you, to all those *In Line Visitors*, urging them to secure their position quickly so they have the potential to earn as much as possible. Automated emails also go out to new Wholesale Affiliates and Retail Customers.

That's the ***Provision Legacy Line System***. It's all about ***Building Legacies Together***.
