## Exceptional Racquet Sports Management

Tennis Premier International is a Racquet Sports Management and Consulting firm whose 70+ years combined experience has overseen award winning operations of some of the world's largest, historic, and iconic clubs. Our focused efforts center on people, products, and process, which yields a cost savings to your club operations budget, and inevitably, increases member activity within the racquet sports community.

PTI has been involved in the operations and management of some of the largest and most prestigious facilities in the U.S. and we would be thrilled to provide our management services to you. We have been in all facets of the racquet industry and have seen first-hand the challenges clubs face daily.

We would be honored to have the opportunity to schedule time for an in-depth discussion and to submit a formal proposal.
