Premier Tennis Consulting- Getting Results

Our WHY... Our PURPOSE

Our PURPOSE for Premier Tennis Consulting is simple, to help sport facilities, programs and professional tournaments thrive! We have been involved in some of the largest and most prestigious facilities in the U.S. and many of the worlds' leading Professional Tennis events. Each facility and tournament has its own DNA and we thrive on working with each to capitalize on their amazing facilities, members and communities. We're prepared to help you at any level by implementing much needed systems and structure that make the most of every opportunity.

Tournament Operations

With experience in professional tournament operations (**ATP Challengers, Pro Circuit and ITF**), facility operations and our 13 key elements to success, we thrive on sharing our experience and knowledge to help you turn your tournament into an event. Our track record proves that our systems, structures, and building relationships not only with the facilities we partner with but with the communities that they reside.

Facility Operations

Whether you're just starting out or looking to restructure we've got you covered. We have 30 years of experience in the tennis industry and we will work with you and your team to implement systems and structures that have proven to be successful . Our mission is to create relationships, not transactions. Our promise is that we'll be there, as questions or issues arise, every step of the way.

We have a solution to help you GROW!!

PTC now has the platform to give GROWTH support for any size club. If you are a tennis facility, swim & tennis or a larger club, we will get you results. If you are looking to grow and retain your membership, constant communication to your customers, fill programs, or help with past dues, we have the solution. We can provide the support ever club is in need of for a fraction of the cost and time it takes employees to do the same tasks. This partnership is truly a game changer for facilities.

How we help you GROW!!!

PTC goal is to provide support to the facility with a team that can focus on getting 20-30% growth, 50% attrition, and fill 95% of their programs. We do this with our partnership with TrekCCM that will work to quickly give you the support in all these areas, including additional 1-1 communication touch points. We know that growing and retaining membership is a daunting task for any facility or Director of Tennis. That's why we offer the support needed so that the facility and Director can focus on the items that matter most to them. Designing and implementing outstanding programs, social, leagues and events.
