

OUR MISSION AND VALUES

At Roofing Masters Ltd., our mission is to empower our clients with confidence through exceptional roofing solutions, while prioritising the well-being of our workforce and embracing innovative construction methodologies. We are committed to delivering a seamless experience that ensures peace of mind and complete satisfaction.

Worry-Free Delivery: We eliminate the stress associated with roofing projects by offering clear communication, precise execution, and reliable craftsmanship.

Integrity & Transparency: Our commitment is to deliver precisely what we promise, ensuring trust and consistency in every project.

Excellence in Execution: We prioritise precision and quality from design coordination to installation, aiming to achieve flawless results on the first attempt.

Lean Construction Practices: We incorporate lean construction principles to enhance efficiency, reduce waste, and optimise resource utilisation, ensuring sustainable and cost-effective project delivery.

Focus on Mental Health: We are committed to supporting the mental health and well-being of our workers by fostering a positive work environment, offering flexible schedules, and providing resources for stress management and personal growth.

WELCOME TO ROOFING MASTERS

Roofing Masters Limited is a specialist provider of membrane roofing and waterproofing solutions, proudly serving the Nelson-Tasman-Marlborough region. With over 40 years of combined expertise, our team is trusted for delivering technically advanced, compliant, and community-focused roofing services. As various suppliers of Approved Applicators, we are recognised for our commitment to quality workmanship, safety, and industry innovation.

Roofing Masters Limited is driven by owners with strong industrial engineering expertise, advanced safety knowledge from geotechnical mining projects, and extensive experience in roofing. Their backgrounds include leading site safety systems and actively tutoring in the NZQA Roofing Apprenticeship program, ensuring technical excellence and ongoing industry development.

WHAT SETS US APART RE INVESTING

What sets Roofing Masters Limited apart is our relentless focus on delivering projects in a suitable timeframe without compromising on quality. We understand that efficiency matters to our clients, which is why we reinvest most of our profits into smart machinery—such as robotic welders and advanced tools—and continually upgrade our logistics fleet with larger, more capable vehicles. This commitment to innovation and operational excellence enables us to complete even the most complex membrane roofing projects quickly, safely, and to the highest industry standards.

Proven Experience

Deep industry knowledge and a history of delivering high-performance membrane roofing solutions

Top-Tier Partnerships

We use only the best materials, backed by trusted New Zealand suppliers.

Accurate, Transparent Quoting

We prepare detailed quotes based directly on architectural plans, with clearly defined quantities and areas - no guesswork, no hidden surprises.

Strong QA & Safety Systems

Our robust quality assurance and health & safety protocols ensure risk is managed and standards are maintained on every project

RAF DOW

Raf has been passionate about roofing throughout his working career, starting with learning the trade on pressed metal tiles in the late 90s and expanding across all roofing forms to the present day.

He has completed the full circle by now running the NZQA Block Courses for Roofing Apprentices as a contract trainer to Vertical Horizonz around New Zealand.

Raf's knowledge of the different products used in New Zealand is comprehensive, having installed roofing and cladding for over 30 years.

OUR OWNERSHIP TEAM

MATHIAS

Managing mining projects in Chile as a Geotechnic provided Mathias with extensive site experience and management and safety systems knowledge.

After relocating to New Zealand 10 years ago, he discovered his passion for membrane roofing and waterproofing systems.

Since becoming involved in this industry, he has furthered his skills by completing his second Bachelor's in Industrial Engineering, with a focus on the importance of mental health in the workplace and his thesis in the application of Lean Construction methodologies in the roofing industry in New Zealand.

He uses streamlined systems across all aspects of the business, from start to finish.

OUR SERVICES MEMBRANE ROOFING AND WATERPROOFING

Roofing Masters Limited provides comprehensive membrane roofing and waterproofing solutions for both residential and commercial clients across the Nelson-Tasman-Marlborough region and anywhere in New Zealand.

Our services include the installation of membrane roofing and waterproofing systems for decks, flat roofs, below-ground (Underslab and tanking), asphalt shingles, cedar shingles, slates and others. We also provide repairs and maintenance of existing roofs, emergency leak response, and technical consulting on compliance and best practices.
