

Alyn Group Technology Core Value Set

The "*Alyn Group Technology Core Value Set*" is the set of beliefs which guide how we operate our business - what we believe in and care about the most, They guide our actions when in doubt, and are a source of motivation and inspiration. At all levels of our Company, they show up in our everyday actions and decision making.

Φ People

- We build from within where possible
- We act on our conviction that the men and women of Alyn Group will always be our most important asset

Φ Leadership

- We are all Leaders in our area of responsibility
- We have a clear vision of our responsibility to our Clients
- We focus our goals on our Client's success

Φ Integrity

- We always try to do the right thing
- We are honest and straight-forward with each other and with our Clients
- We are data-based and intellectually honest in our dealings with our Clients

Φ Passion

- We are determined to be the best at what we do
- We have a healthy dissatisfaction with the status quo
- We have a compelling desire to drive technology transformation and improve our own and our Clients' ability to accomplish their Missions
