Homeowner's Affidavit

I have read, understand and agree to abide by the Covenants and Restrictions of the HOA. In return for approval, I agree to be responsible for the following:

- All losses caused to others, including common areas, as a result of this undertaking whether caused by me or others:
- **To comply with all state and North Port building codes.**
- Any encroachment(s) and easements.
- To comply with the conditions of acceptance (if any).
- To complete the project according to the approved plans. If the modification is not completed as approved, said approval may be revoked and the modification be removed by the Homeowner at the Homeowner's expense.
- Homeowner further acknowledges that drainage swales have been designed and established between homes (side yard) to carry storm water off the Lot and to maintain positive drainage away from home. The HOA shall not be responsible for any effect that any proposed landscaping installation may have on drainage. The Homeowner shall be responsible for all associated costs.
- The Homeowner is responsible for any costs associated with irrigation modifications as a result of this alteration. Project, pre-approved by the ACC modifications required, are at the Homeowner's expense.
- Homeowner assumes maintenance responsibility for any new landscaping that they install.
- **The Homeowner is responsible for ensuring that all areas affected by the project construction (i.e., landscaping, irrigation, common areas etc.) are restored to their original condition. If you will be utilizing your neighbor(s)' property for access to perform construction of your project, you MUST enclose with your ACC Change Form a written, dated, signed permission letter, including their residence street number, to do so from your neighbor(s) BEFORE you are authorized to begin your project after ACC review and approval. Failing that, the Homeowner is responsible for all costs necessary for the IslandWalk at the West Villages HOA to properly restore the area.**

I also understand that the Board of Directors, the ACC, or the Management Company does not review and assumes no responsibility for the structural adequacy, capacity or safety features of the proposed construction, alteration or addition.

I agree to abide by the decision of the Board of Directors, and/or the Management Company. If the modification is not completed as approved with the specifications submitted in this application and I refuse to correct or remove the modification, I may be subject to court action by the HOA. In such event, I shall be responsible for all reasonable attorney's fees.
