

Unfortunately because of COVID19 I am not able to hold
My Cancer Council Biggest Morning Tea this year at the Bowling Club.

Instead, on Saturday June 13th I am holding a “virtual”
morning tea. I am asking friends & family to host a morning tea
in their own home. It could be a great way to catch up with friends
and family whilst raising much needed funds for the Cancer Council.

Cancer does not stand still for the virus.

When you make a donation you have a chance to win a prize.
You can donate any amount, every little bit helps. I will accept cash!!!
