

Mount Barker Bowling Club Inc

March Newsletter 2024

From President Leon

A huge congratulations to Mt Barker Club Women Pairs Champions, Chris Nicholls and Rae Corner on their Champion of Champion pairs win at Lenswood recently. Good luck in the Regional 6 playoff at Karoonda in the coming week.

HBA Champion of Champion

Women's Pairs winners

Chris Nicholls and Rae Corner

We were host for the HBA singles Champion of Champions over the last two Fridays. Paul Van der Water and Judy Thomas did us very proud in their matches narrowly going down. Thanks to all the club members who were asked to mark, serve behind the bar, cook or serve food, prepared the green and conducted the raffle.

Pennant finals have seen some amazing wins for our club. Wednesdays competition has seen both division 1 and division 2 advance to the next round to be played at Oakbank. Under very hot conditions, Saturday Division 3 #1 and #2 teams won and now are both into the grand final for the gold and silver sections of the competition. We wish them well. Win or lose, everyone is invited back to the clubrooms to celebrate the clubs achievements.

End of pennant season presentation details

To continue the clubs fundraising, a cookbook featuring a section about Jenny's morning tea recipes has been started. Vince's and Lawrie's recipes will also feature in what's for dinner section. Several people have already sent through great recipes. We would love to collect more so please forward them to Joy.

The big morning tea is well underway. Jenny and Rae are keen to know if members can provide items for the trading table or food for the big morning tea. Please indicate what you can supply on the list on desk near trophy cupboard or ring /text Jenny on 0400467758 if you can help or supply goods on or before the day

During the month of April, each Tuesday night a social bowls competition is planned at the club. Players interested need to register by 5.30pm and ready to start play at 6pm. The bar will be open and sausage sizzle available. We are keen to have those who have played night owls as well as our members enjoy this bowls activity before the winter activities start in May.

The board has spent time renewing the club's constitution and has placed it in draft form on the clubs website for members to review. We will need to ratify its acceptance at the AGM in May.

Lawrie is taking uniform orders again. He will send it onto CFS gear after the presentation evening. Please email, text or personally see Lawrie if you wish to place an order.
