

# Fellowship in Health Economics & Outcomes Research (FHEOR)

*Jointly Offered by CLiMed Research Solutions, India & DualSphere Consulting, Singapore*

**Institutional/University Partner:** GIP, Geetanjali University, Udaipur  
**Hospital Partner:** Tambaram Medical Centre, Chennai

**Industry-Led • Policy Aligned • Globally Benchmarked**

**Title Awarded:**  
**FHEOR – Fellow in Health Economics & Outcomes Research**

## Important Dates

- *Starting Date (Orientation Program):* March 11, 2026
- *Last Date to Show Interest:* January 31, 2026
- *Selection Process Completion:* On or before February 14, 2026
- *Admission Confirmation Deadline:* On or before February 21, 2026

**HEOR Fellowship March 2026 Interest Form**  
<https://forms.gle/CBwWzd1xViBApadWA>

# PROGRAM OVERVIEW

The Professional Fellowship in Health Economics & Outcomes Research (HEOR) is a 7-month advanced, competency-based professional training program designed to develop evidence scientists, market access strategists, HEOR analysts & translational policy researchers capable of shaping pricing, payer access, reimbursement, technology evaluation and value-based healthcare decisions.

This fellowship integrates global frameworks, India-specific payer ecosystem, advanced modelling, research publication, policy translation, and live project execution to ensure maximum industry relevance.

## PROGRAM OBJECTIVES

- Develop strong foundational and advanced expertise in pharmacoeconomics, market access & HEOR methods.
- Train fellows to conduct cost-effectiveness, cost-utility, cost-benefit & budget impact evaluations.
- Build capability to design HEOR models, perform ICER calculations, PSA/DSA, Markov modelling & QALY assessment.
- Enhance skills in translating Real-World Evidence into payer decisions, HTA briefs, value dossiers & policy documents.
- Build research leaders who can publish HEOR research, present at conferences and contribute to evidence-based health system strengthening globally.

## CAREER PROSPECTS AFTER FELLOWSHIP

Graduates can enter highly specialised HEOR domains in:

- *HEOR Scientist / Analyst / Associate*
- *RWE Researcher*
- *Market Access & Pricing Specialist*
- *HTA Evidence Analyst / Health Policy Researcher*
- *Pharma / MedTech Value Evidence & Outcomes Researcher*
- *Academic HEOR Faculty*
- *Independent HEOR Consultant (Industry/Policy)*
- *Consulting HEOR Domains (IQVIA, ZS, Accenture, Deloitte, McKinsey etc.)*

This fellowship provides strong employability pathways across Pharma, CROs, Government, Research Institutes, Hospitals, Policy Groups, and Global Consulting Firms.

# SELECTION CRITERIA (STEP-WISE) – FHEOR

- **Expression of Interest (EOI)**

*Interested candidates must fill the Google Form to show interest and attach their CV. This step helps assess basic eligibility and alignment with the fellowship objectives.*

- **Panel Screening & Shortlisting (CV Review)**

*A Selection Panel will review submitted CVs and shortlist candidates based on academic background, professional experience, research orientation, and interest in HEOR domains.*

- **Interview Round**

*Shortlisted candidates will be invited for a personal interview to evaluate motivation, clarity of career goals, communication skills, and readiness for the fellowship.*

- **Final Selection & Admission Confirmation**

*Successful candidates will receive selection and admission confirmation along with program details and timelines.*

- **Fee Payment & Seat Confirmation**

*Admission will be finalized upon fee payment within the stipulated time, after which the seat will be officially confirmed.*

## Who Can Attend

- **Pharmacy Professionals & Students**

*BPharm, MPharm, PharmD students and graduates seeking careers in HEOR, HTA, market access, and outcomes research.*

- **Medical & Allied Health Professionals**

*MBBS, MD, DM, nursing, and allied health professionals interested in evidence-based healthcare, policy, and value-based care.*

- **Public Health & Life Sciences Graduates**

*Candidates from public health, health management, biotechnology, life sciences, epidemiology, and related disciplines.*

- **Working Professionals**

*Professionals from pharma, CROs, consulting, hospitals, insurance, market access, RWE, clinical research, and health policy domains.*

- **Early-Career Researchers & Academicians**

*Individuals aiming to build expertise in health economics, outcomes research, publications, and academic leadership.*

- **Career Switchers into HEOR & Market Access**

*Motivated professionals seeking structured entry into HEOR, HTA, RWE, and value evidence roles.*

# FELLOWSHIP HIGHLIGHTS

- **Industry-Led & Globally Benchmarked Program**  
*Jointly delivered by leading HEOR, market access, and policy experts from India and Singapore, aligned with global HTA and payer frameworks.*
- **Comprehensive 7-Month Structured Learning**  
*Covers foundational to advanced HEOR, pharmacoeconomics, HTA, RWE, market access, and policy translation in a single integrated fellowship.*
- **Hands-On HEOR Modelling & Real-World Projects**  
*Practical exposure to cost-effectiveness models, budget impact analysis, Markov modelling, ICER calculations, and real-world evidence studies.*
- **One-Month Live Project Practicum / Internship**  
*Each fellow completes a real-time applied HEOR project with mandatory report submission, final presentation, and oral viva.*
- **Top Global HEOR Industry Leaders as Faculty & Guest Speakers**  
*Learn directly from internationally recognized HEOR scientists, market access leaders, HTA experts, and policy advisors with active roles in global pharma, consulting, payer organizations, and academia. Sessions include real-world case discussions, career insights, and global best practices.*
- **Strong Focus on Publication & Evidence Translation**  
*Training in systematic reviews, value dossiers, HTA briefs, payer submissions, and manuscript preparation with publication support.*
- **Onsite Institutional Immersion & Convocation**  
*Includes a 3-day hands-on modelling bootcamp, HEOR conference, abstract presentations, networking sessions, and formal convocation.*
- **Career-Focused Mentorship & Placement Support**  
*One-to-one career mentoring, CV and LinkedIn optimisation, interview preparation, and placement assistance across India and global markets.*
- **CSR-Supported Fellowship Fee**  
*Substantial fee support through CSR initiatives by CliMed Research Solutions & DualSphere Consulting to promote inclusive access.*
- **Joint Professional Fellowship Certification**  
*Fellowship certificate jointly awarded by CliMed Research Solutions, DualSphere Consulting, partner hospitals, and university collaborators.*
- **Lifetime Alumni & HEOR Talent Network Access**  
*Continued engagement through alumni forums, advanced workshops, research collaborations, and industry networking opportunities.*

# PROGRAM DURATION & STRUCTURE

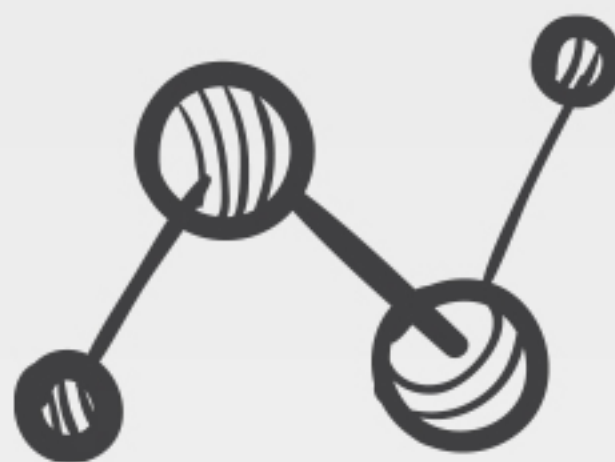

Component	Duration
Foundation in HEOR & Pharmacoeconomics	2 Months
Advanced Modelling + HTA + Market Access	2 Months
Publication & Evidence Translation	2 Months
Real-Time Project Practicum/Internship (Online/Offline)	1 Month
Onsite Immersion Program & Convocation (university)	3 Days

Total Duration: 7 Months + 3 Days Immersion

## COMPREHENSIVE CURRICULUM

### Foundation Layer

- Global Landscape of HEOR
- Pharmacoeconomics Principles: CEA, CUA, CBA, CMA
- PROMs, HRQoL, Utility, Instrument Selection
- Biostatistics for HEOR + Comparative Effectiveness Research
- Real World Evidence – Types, Data Sources, Prospective vs Retrospective designs

### Advanced Technical & Modelling Layer

- Micro & Macro Costing Methodologies
- Decision Trees, Markov Models (Excel-Based)
- Probabilistic Sensitivity Analysis, Deterministic Sensitivity Analysis
- Monte-Carlo Simulation
- ICER calculation, threshold analysis, QALY derivation
- Budget Impact Modelling for public payers, private insurance and HTA India
- Value based pricing, payer evidence strategies

### Market Access, HTA & Policy Layer

- NICE (UK), ICER (US), CADTH (Canada), PBAC (Australia) frameworks
- HTAIn (India) evaluation methodology
- Evidence requirements for reimbursement dossiers
- Pharmacoepidemiology & policy impact evaluation

## Research Communication & Publication Layer

- *Systematic Reviews for HEOR (PRISMA)*
- *Intro NMA for HEOR*
- *AMCP Style Value Dossier Preparation*
- *Preparing payer submission briefs*
- *Policy brief writing & advocacy*
- *Manuscript writing & conference abstract preparation*

## Advisors, Faculty Members & Guest Speakers:

**Dr. Pramod Kumar Rajput**

Senior Vice President (F), Cadila Pharma  
Amazon Bestseller Author on Leadership  
Corporate Board Director, Pharma Business Leader, Academic Advisor & Global Leadership Coach  
Director of Board, Curio Training & Research Institute, India

**Dr Pramil Tiwari**

Professor & Former Head,  
Department of Pharmacy Practice  
NIPER, Mohali

**Dr. Aafrin Shabbir**

Senior Consultant,  
Department of Internal Medicine,  
Gleneagles Health City, Chennai

**Dr. Mahendra Rai**

Vice President & Regional Head,  
HEOR, Real World Evidence &  
Medical Affairs Trinity Life Sciences,  
Singapore

**Dr. Gaurav Jyani**

Senior Health Economist,  
PGIMER, Chandigarh

**Mr. Murtuza Stationwala**

Manager Market Access,  
Value and Evidence, Pfizer,  
India

**Mr. Ashis Mukherjee**

Global Head, Market Access &  
Reimbursement, Primary and  
Specialty Care, Italy

**Dr. Anuj Mubai,**

Co-founder and VP Scientific Affairs,  
Kalam experts, India.

**Dr. Neeraj Mehta**

Founder, Publishing and Healthcare  
Consulting  
Consulted, Nested Knowledge,  
India

**Dr Mayura Deshpande**

Medical Director UK&IRE, WECAN  
Ferring Pharmaceuticals, Switzerland

**Dr. Rajpal Singh**

Global Health Economics and  
Outcomes Research (HEOR) India Lead  
ZS Associates, Gurugaon

**Ms. Akanksha Verma**

Consultant – Pharmacoeconomic  
Modeling, Dual Sphere Consulting,  
Singapore

**Ms. Venkata Sharmila U**

Associate Director – HEOR, Dual  
Sphere Consulting, Singapore

## Course Conveners:

**Dr. Ajit Singh**

Founder & CEO,  
CliMed Research Solutions,  
India

**Dr. Richa Goyal**

CEO and Co-Founder, Dual Sphere  
Consulting, Singapore

**Dr. Mahendra Singh Rathore**

Principal & Professor, Geetanjali  
Institute of Pharmacy, Geetanjali  
University, Udaipur

**Dr. V Ashwin Karuppan**

Medical Director, Tambaram Medical  
Center, Chennai & HOD & Senior  
Consultant - Internal Medicine &  
Diabetology at Gleneagles Health City,  
Chennai

## Course Coordinators:

**Dr. Neha Suratiya**

Director Research, CliMed Research  
Solutions, India

**Dr. Hariharan Sukumaran**

Head of Clinical Research,  
Tambaram Medical Center, Chennai

# One Month Real-Time Project Practicum

The Internship will be available online and offline both the modes, based on the fellow's choices it'll be given.

Each fellow will execute ONE real applied HEOR project in:

- *Cost-Effectiveness Model*
- *Budget Impact Analysis*
- *HEOR Outcomes Study using RWD*
- *Value Dossier Development for a therapy area*
- *National Health Policy / Financing Model*

**Mandatory Deliverables: Project Report + Final Presentation + Oral Viva**

## 3-Day Institutional Immersion Program (Onsite)

- *Venue: Partnered Hospital/University*
- *Hands-on HEOR Modelling Bootcamp*
- *HEOR Conference: Fellows present project abstracts*
- *Convocation Ceremony (Fellowship Award)*
- *Networking with Industry Leaders, HEOR Scientists & Policy Experts*
- *Market Access Roundtables & Global HEOR Careers Panel*
- *Career Placement Clinic (CV, LinkedIn, Portfolio, Interview Strategy)*
- *Convocation gown and Free pass for networking included*

## Career Support & Benefits

- *2 personal one-to-one professional career mentoring sessions*
- *Placement Assistance (India + Singapore + Global network)*
- *Internship facilitation in HEOR/Market Access/RWE ecosystem*
- *Publication Support till one manuscript submission*
- *Lifetime Alumni Access for HEOR Talent Network*

# Certification & Assessment Criteria

Upon successful completion:

**Title Awarded:** FHEOR – Fellow in Health Economics & Outcomes Research

**Certificate Type:** *Joint Professional Fellowship Certification*

*CliMed India + DualSphere Singapore + Tambaram Medical Centre + Geetanjali University*

To be awarded the Professional Fellowship Certificate, participants must meet the following mandatory academic and attendance requirements:

## Attendance Requirement

- Minimum 60% attendance in live classes
- Attendance contributes 10% weightage to final evaluation

## Attendance Requirement

- Attendance: 10%
- Assignments: 20%
  - 4 assignments
  - 5% weightage per assignment
- Final Viva Voce: 20%
- Final Examination: 50%

## Fellowship Fee Structure (CSR-Supported)

The total program fee for the Fellowship in Health Economics & Outcomes Research is ₹80,000.

To ensure wider accessibility and capacity building, a substantial portion of the fee is supported through CSR funding by CliMed Research Solutions & Dual Sphere Consulting, as detailed below:

- ₹20,000 (After 75% CSR Support on ₹80,000)

- Applicable for:
  - Current students
  - Non-working professionals
- Represents a **75% CSR** subsidy on the total fellowship fee

- ₹40,000 (After 50% CSR Support on ₹80,000)

- Applicable for:
  - Working professionals
- Represents a **50% CSR** subsidy on the total fellowship fee
