

PROVAN

*A distinguished sans serif typeface combining elements
of ancient inscriptional letterforms and the
calligraphic elegance of a refined humanist bookhand*

**ENERGETIC & PLAYFUL
WITH CHEERFUL CLARITY**

the CELTIC

*wit and wisdom of Archibald Provan influenced
many of the type industry's prominent designers and technicians.
Professor of Typography at Rochester Institute of Technology
for over 30 years Archie brought together the history
and art of letterforms to students studying
the latest imaging technologies.*
