

PROFIT\$

Suladio International is the producer of the impactful P.R.O.F.I.T.S. Learning Path, created as an asset to assist entrepreneurs and small business owners around the world. It is marketed by Renatus and accessible online via Helios.

Two new instructors, Troy Dunn and Woody Woodward, join Renatus favorites, Mark Kohler, Christian George, Rob Sperry, Ron Williams and Eric Counts to enhance the potential financial success of your organization. Courses vary in content, with topics that are applicable to budding businesses as well as experienced CEOs.

Improve your company's results with tools and strategies for coordinating processes, marketing, operations, networking, standards, sales and branding. Explore personal development that can change the trajectory and future of your business. The information presented in the P.R.O.F.I.T.S. course is applicable to everyone and provides the means to take a solid step toward possibilities you never knew existed.

Renatus, LLC celebrates the entrepreneurial spirit and encourages financial freedom through education and community.

We recognize the powerful combination of real estate investments and business ownership as tools to increase immediate income, while building secure, long-term wealth.
