

5 YEAR WORKMANSHIP WARRANTY

Warranty:

Frontline Roofing hereby declares that all labor associated with the application of this roof system will be free from defects for a period of five (5) years following the date of completion.

Remedy: Any workmanship defects will be repaired at no charge to the homeowner. Frontline Roofing will remedy installation defects within fifteen (15) working days of notification by the homeowner barring that any special-order materials needed to carry out repairs do not have to be ordered. Any repairs that require special order materials will be completed upon receipt of special ordered materials.

This Limited Workmanship Warranty does not cover or extend to the following:

- Matters relating to the installation of Customer's roofing system wherein Frontline Roofing and/or its representatives did not perform the original installation. Any alteration, addition or repairs made by others that affect the installed roofing system including but not limited to utility installations, additions to the structure, satellite television dishes, antennas or any other penetration to the roofing system caused by construction or installations performed after the completion and acceptance by Customer.
- Any damage to the roofing system installed by Frontline Roofing caused or affected by natural causes, manmade causes or occurrences such as lightning, fire, insect infestation, earthquake, tornado, hail, sleet, hurricanes or winds with peak gust exceeding the roofing shingle manufacturer's warranty and specifications.
- Any damage to the roofing system by intentional or negligent acts, accident, abuse, vandalism, civil disobedience or other such occurrences including Customer's failure to use reasonable care in protecting installed roofing systems from damage.
- Any consequential damage to other building components.
- Any damage created by environmental conditions affecting the roof such as chemicals, cleaning chemicals acids or any other harmful material that contacts the roofing system and causes damage including but not limited to pressure washing or other cleaning methods using air or water under pressure.

FRONTLINE ROOFING
