The hunter / by Tana French  
Cal Hooper 2

It's a blazing summer when two men arrive in a small village in the West of Ireland. One of them is coming home. Both of them are coming to get rich. One of them is coming to die.

The women /  
by Kristin Hannah

The story of one woman gone to war, but it shines a light on all women who put themselves in harm's way and whose sacrifice and commitment to their country has too often been forgotten.

Leonard and Hungry Paul /  
by Ronan Hession

Two friends – who still live with their parents, are resolutely kind, and like to read and play board games – discover that they are not considered "normal" and struggle to protect their concept of what's meaningful in life.

Wandering stars /  
by Tommy Orange

Traces the legacies of the Sand Creek Massacre of 1864 and the Carlisle Industrial School for Indians through to the shattering aftermath of Orvil Redfeather's shooting in *There There*.

The #1 lawyer / by James  
Patterson & Nancy Allen

A small-town lawyer with a big-time reputation, Stafford Lee Penney, Mississippi's #1 lawyer who has never lost a case, when his wife is scandalously killed, spirals into a legal and personal legal streak, ruining his career, and making him the nation's #1 suspect.

The sunlit man /  
by Brandon Sanderson

Landing on a new planet where he's instantly caught up in the struggle between a tyrant and the rebels, Nomad, in a world under constant threat of a sunrise whose heat will melt the very stones, must gain enough power to leap off world before he pays the ultimate price.

Never too late /  
by Danielle Steel

Shards of earth /  
by Adrian Tchaikovsky  
Final architecture 1

Idris, an enhanced human, and his crew, 50 years after the destruction of the earth by alien aggressors, the Architects, discover something strange in space that many people would kill to obtain – and could herald the return of the enemy. It's clearly the work of the Architects – but are they returning? And if so, why?

Eyes of the void /  
by Adrian Tchaikovsky  
Final architecture 2

Facing impending extinction, an Intermediary decides to help the Human Colonies stop the Architects who are back consuming entire planets after eighty years of a fragile peace, in the second novel of the series, following Shards of Earth.

Lords of uncreation /  
by Adrian Tchaikovsky  
Final architecture 3

Idris Telemmier has uncovered a secret that changes everything – the Architects' greatest weakness. A shadowy Cartel scrambles to turn his discovery into a weapon against these alien destroyers of worlds. But between them and victory stands self-interest. The galaxy's great powers would rather pursue their own agendas than stand together against this shared terror.
