The transition from President Donald J. Trump to President Joseph R. Biden Jr. stands as one of the most dangerous periods in American history. But as #1 internationally bestselling author Bob Woodward and acclaimed reporter Robert Costa reveal for the first time, it was far more than just a domestic political crisis. Woodward and Costa interviewed more than 200 people at the center of the turmoil, resulting in more than 6,000 pages of transcripts - and a spellbinding and definitive portrait of a nation on the brink. This classic study of Washington takes listeners deep inside the Trump White House, the Biden White House, the 2020 campaign, and the Pentagon and Congress, with eyewitness accounts of what really happened.

For Louis has come to Europe to hunt them down: five killers to be found and punished before they can vanish into thin air. There is just one problem. The sixth.

Lacy Stoltz 2

As an investigator for the Florida Board on Judicial Conduct, Lacy Stoltz sees plenty of corruption among the men and women elected to the bench. In *The Whistler*, she took on a crime syndicate that was paying millions to a crooked judge. Now, in *The Judge's List*, the crimes are even worse. The man hiding behind the black robe is not taking bribes—but he may be taking lives.

This high-stakes thriller follows a novice Secretary of State who has joined the administration of her rival, a president inaugurated after four years of American leadership that shrank from the world stage. A series of terrorist attacks throws the global order into disarray, and the secretary is tasked with assembling a team to unravel the deadly conspiracy, a scheme carefully designed to take advantage of an American government dangerously out of touch and out of power in the places where it counts the most.
