Graciela in the Abyss

In the deepest recesses of the ocean, Graciela—once an ordinary girl—now makes sea glass and assists her friend, Amina, as she welcomes newly awakened sea ghosts from their death sleep. Though Graciela's spirit is young, she has lived at the bottom of the ocean for more than a hundred years. Meanwhile, in the mortal world on land, twelve-year-old Jorge Leon works in his family's forge. He's heard of the supernatural spirits living beneath the ocean's waves—tales that do nothing to quell his fear of the water.
