AUDIOBOOKS

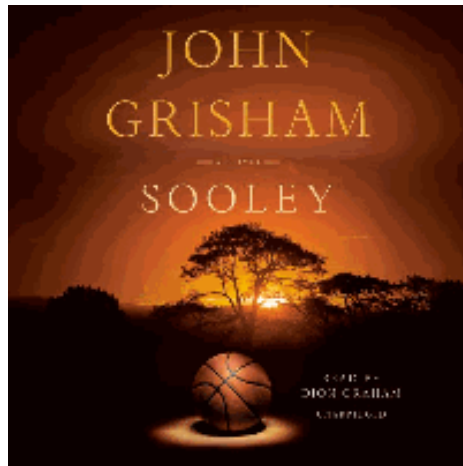

Oprah Winfrey and renowned brain development and trauma expert Dr. Bruce Perry discuss the impact of trauma and adverse experiences and how healing must begin with a shift to asking what happened to a person, rather than what's wrong with them.

Aloysius Archer bk. 2
The 1950s are on the horizon, and Archer is in dire need of a fresh start after a nearly fatal detour in Poca City. So he hops on a bus and begins the long journey out west to California, where rumor has it there is money to be made if you're hard-working, lucky, a criminal – or all three.

A young partner in a Biloxi law firm who staged his own death and stole a fortune from the firm's offshore account is found living in Brazil.

John Grisham takes you to a different kind of court in his first basketball novel.

Samuel “Sooley” Sooleymon is a raw, young talent with big hoop dreams—and even bigger challenges off the court.

Jake Brigance bk. 3

Jake is the court-appointed lawyer for Drew Gamble, a young man accused of murdering a local deputy. Many in Clanton want a swift trial and the death penalty, but Brigance sees it another way. Once he learns the details of the case, he realizes he has to do everything he can to save Drew, who is sixteen. Jake's commitment to the truth puts his career and the safety of his family at risk.
