

LEMMON LIVESTOCK MARKET REPORT

WEDNESDAY, SEPTEMBER 25, 2024:

Good people and good cattle make this industry a well-oiled machine that functions no matter the conditions. High quality cattle coming off reputable outfits brought a wide range of buyers to Lemmon Livestock, including 7 active market cow and bull buyers. Weigh-up cows came out swinging for the fences and held a strong market, notice the \$3944.75 bull that went through, you can't tell me the packers don't need meat! The interest in each feeder sale is growing as feedyards continue to try and fill the demands for beef cattle.
