

# LEMMON LIVESTOCK MARKET REPORT

WEDNESDAY, NOVEMBER 6, 2024:

It seemed like the sun shined a little brighter when everyone woke up this morning. Could have been the election, could have been the excitement of the sale. Either way there was a lot to be thankful for November 6. The market was tested immediately with cattle that represented a common weight, had all the shots, and a color everyone could bid on. Just at 2800 calves came in overnight and they presented a great body condition. This kept the heat on the market throughout the day. On behalf of Dacotah Bank and Lemmon Livestock Auction to our customers, thank you and hope you enjoyed the dinner!
