

# LEMMON LIVESTOCK MARKET REPORT

WEDNESDAY, DECEMBER 11, 2024

Another strong market on weigh-up cows today with a light test of feeders. One of the feeder highlights was 22 head of certified Red Angus steers weighing 755 brought 2.73, that's \$2062 per head! Good cattle sell good no matter what day or how many cattle are consigned. As we approach the end of the year we are preparing for an excellent run of bred cows and bred heifers December 18, here at Lemmon Livestock, as well as feeder calf specials after the New Year. Focus on the things you can control as you make decisions marketing your calves this upcoming year. And call us if you have any questions!!
