

LEMMON LIVESTOCK MARKET REPORT

WEDNESDAY, FEBRUARY 5, 2025

The Northern Royalty Replacement Heifer sale expressed many things, but one word sticks out...BELIEVE. This market is wild and as high as we've ever seen it. So many want to be skeptical and almost anxious for it to fall. Yet somebody has got to grab a hold of the rope and take advantage of good cattle packed with good genetics. That is exactly what happened at Lemmon Livestock. These replacement heifers gained momentum as local stockmen battled order buyers over some of the best females in the world. The ring was surrounded by people who don't see signs of this market slowing down. So I say it again, believe.
