

LEMMON LIVESTOCK MARKET REPORT

WEDNESDAY, OCTOBER 30, 2024:

It's been a lot of years since Lemmon Livestock has hosted nearly 5,000 calves. There was a demand for good quality calves even though the board took a beating. Many consignors were blessed with rain Tuesday and what better thing to do than watch their calves sell? Notice the premiums on people giving the shots we've been preaching but also today we saw premiums for calves sired by reputable bull outfits.
