

# LEMMON LIVESTOCK MARKET REPORT

WEDNESDAY, JANUARY 8, 2025

New Years markets opened up with a bang in all classes of cattle. The high demand for beef didn't weaken after the holiday break and looks bright into the future. Multiple cow buyers in the seats and a lot of internet activity pumped the primer for the feeder cattle frenzy that started at noon. Fourteen buyers carrying a myriad of orders collided with 3000 head of the tri-county areas finest feeder cattle. This combination led to what I believe was some of the highest recorded feeder calf prices in Lemmon Livestock history.
