

LEMMON LIVESTOCK MARKET REPORT

WEDNESDAY, AUGUST 6, 2025

The good ole days are here and now. We are living in them. It will be and has been a year that will be remembered, "Back in '25", will be a phrase. Back in '25 the rain was outstanding and there was more green grass in August than in May. Back in '25 the futures hit an all-time high and cattle prices were as good as we've ever seen. Remember August 6, 2025 because it was the start of a fall run nobody is going to forget.
