

LEMMON LIVESTOCK MARKET REPORT

WEDNESDAY, OCTOBER 9, 2024:

Positive market on all classes of cattle from start to finish. The "Fall weigh up run" has begun as there was over 400 market cows at auction. Volume helps everything. More cattle more buyers and a more competitive market. Can't get that in the country. Seemed like the buyers were really wanting cattle this week. Take notice of the sale schedule and consignment list. Start times and Thursday cow sales will be something to put on the calendar.
