Your Support Helps Our Students Thrive!

Please consider supporting the Plant Theater Company by becoming a **booster member or simply making a donation!** Your donation and patronage will play the starring role in helping our students explore life skills that can translate to careers beyond performing, including writing, management, graphic/set design, lighting, sound, makeup, costuming, marketing, public relations, and yes, cherished memories.

Did you know the **typical budget for a high school musical ranges from \$5,000 - \$10,000?** These costs include licensing fees, materials and equipment required to build sets, costumes, professional assistance with choreography and technical lighting and sound equipment. Given tight budget constraints, the school district provides very little monetary support. The Company self-funds the majority of productions through ticket sales, concessions, fundraisers, advertising, and booster support. Your generosity is critical to continue building on an award-winning program where students can:

- Develop leadership skills and understand effective team dynamics
- Participate in a variety of classes, including musical theatre and acting, directing, and scriptwriting, make-up and costuming
- Audition for, and participate in, at least 3 school productions each year
- Attend and/or compete at International Thespian Society events, including Individual competitions, One Acts, and the Florida Thespian Festival
- Be part of a creative, artistic, and inclusive community.

Your Help Enables Our Success!

The theatre program at Plant High School continues to thrive. Our talented students have been selected as Showcase winners in acting, musical theatre performance, costume design and technicals—with winners at both district and state levels. Led by our new theater director we held productions of *"Wait Until Dark"* and *"Xanadu"*, competed and earned "Superior" ratings in Individual Events and the One-Act competitions *again* this year. Popular shows are being arranged the 2023-24 Season and we hope you will join us throughout the year for excellent productions and entertainment. **Thank you for your support!**
