

World Class Western Experiences

Precision Shooting Program - 2022 Courses & Rates

“PRECISION HUNTER COURSE”:

Rate: \$7,890 *all inclusive*

Length: 3 days, 4 nights

Course Overview: This course is perfect for the complete beginner, or the experienced hunter or shooter who wants a refresher and new techniques to apply to their upcoming hunt. After a classroom portion to review the groundwork of ballistics and rifle systems, we move to our “Zero Range” for instruction out to 600 yards. Every day you will progress to a different range location where you learn how to overcome all the challenges involved in hunting and shooting in the mountains. We will push the limits to your maximum ethical distance but concentrate on first round hits on realistic-sized wildlife targets. Our small class sizes allow for maximum individual attention, and shooters will complete the course with confidence in their ability to make a successful shot in nearly any circumstance. *Price includes use of BRC precision firearms, estimated cost of ammunition, and all field equipment.*

“PRO-HUNTER COURSE”:

Rate: \$7,280 *all inclusive**

Length: 3 days, 4 nights

Course Overview: This is the next step for our Precision Hunter Course graduates who want to advance their shooting and hunting skills or prepare for a specific upcoming hunt. This course covers the aspects of hunting which includes observation, concealment and movement skills, advanced ballistics and shooting. You will learn target acquisition, engaging moving targets, steep angles, and extend your maximum shooting distance, while becoming proficient in reading your environment. You will be faced with challenging shoot/don't shoot scenarios enabling you with the ability to make the critical and quick decision between making a successful ethical shot and making a mistake. There are several choices for evening informational seminars during the course, including field judging of big game animals, hunt planning, or starting a gun trust, etc. Evening talks are given by Branded Rock Canyon guides and our international hunt team. If you have not taken our Precision Hunter Course, but have completed a comparable training elsewhere, you may be eligible to upgrade to this course. Our instructors will make the decision prior to the deposit being paid. *Shooters may bring their own personal rifles and optics system or rent a rifle and purchase ammunition at the ranch.*

“ALL-AMERICAN COURSE”:

Rate: \$8,000.00 *all-inclusive*

Length: 3 days, 4 nights

Course Overview: Tune in your patriotism with four different firearms platforms in three days. Whether you are new to shooting, want to create an unforgettable corporate meeting, or simply want to introduce your family to gun safety, this course is for you. You will progress from the basics to proficiency with rifle, shotgun, carbine, and pistol. We instruct this course in a way that is extremely fun, educational, and safe. The Big 4 course presents a great introduction to firearms and has been known to convert avid anti-gun advocates into individuals that have a new appreciation, respect, and understanding of why we have our 2nd amendment. Come away from this course with confidence in firearm handling and safety, and the ability to protect, defend, and hunt. *All firearms, gear and estimated cost of ammunition included.*

ALL-AMERICAN LADIES-ONLY COURSE: July 14-18, 2022. Observers are welcome to visit the ranch for R&R and other activities while the ladies participate in the course. Observer rates apply.

“PRECISION ELK HUNTER COURSE”:

Rate: \$8,840.00 *all inclusive*

Length: 4 days, 5 nights

Available dates: November 28-December 3, December 5-10, December 12-17. Other dates may be available for private/exclusive group hunts.

Course Overview: This course combines two days of our Precision Hunter Course with two days of hunting for cow elk at Branded Rock Canyon ranch. The course starts with a classroom portion to review the groundwork of ballistics and rifle systems, and then progresses to our “Zero Range” for instruction out to 600 yards. We will push the limits to your maximum ethical distance, but concentrate on first round hits on realistic-sized wildlife targets. The final two days will be practical application of your coursework, as you and your professional guides venture afield in pursuit of cow or bull elk. Guiding will be 2x1, with a maximum course size of 6 shooters/hunters. *All firearms, gear and estimated cost of ammunition included.*

Requires successful draw in general application, or purchase of leftover tag (if available) for Colorado GMU 31. Experience level: minimum 12 years of age and possessing a valid Hunter Education card or Apprentice Hunter Certificate as required for purchase of Colorado elk tag. No other experience required. If a hunter’s tag goes unfilled due to lack of opportunity or inclement weather, the option may be available to stay an extra day, or return in January, depending on the legal hunting dates of the tag. No extensions will be given due to missed shots, or for physical limitations of hunter.

Youth option (ages 12-17): \$6,700 plus tax for cow elk course option, when sharing room with paying parent. One parent/guardian is required to supervise the youth during the course and hunt. Rate includes parent/guardian room, meals, airport shuttle. Parent may upgrade to participate in full course with youth for additional \$2,500 plus tax.

MORE OPTIONS

Observers: Add an observer to any course, sharing room: \$450 per night plus tax, or separate room \$950 per night plus tax.

Activities options available for observers: R&R in one of the most beautiful lodge settings in the world, cooking course with our world-class chef, wine tasting, spa & massage treatments, horseback riding, ranch tours, fishing, local area shopping and touring. Guided a la carte activity rates apply and some activities are seasonal.

Presidential Package Upgrade: Add a custom or premium firearm from our ProShop, plus 200 rounds of precision-grade ammunition to any package. Become proficient with your own firearm! Requires 4 month advance notice. P.O.R.
