## **Precision Shooting Program - 2023 Courses & Rates**

### **"PRECISION HUNTER COURSE":**

Dates: April 27-May 1 or June 1-5

Rate: \$5,500.00 p/p

Length: 3 days, 4 nights

*Course Overview:* This course is perfect for the complete beginner, or the experienced hunter or shooter who wants a refresher and new techniques to apply to their upcoming hunt. After a classroom portion to review the groundwork of ballistics and rifle systems, we move to our "Zero Range" for instruction out to 1,200 yards. Every day you will progress to a different range location where you learn how to overcome the many challenges involved in hunting and shooting in the mountains. We will push the limits to your maximum ethical distance but concentrate on first round hits on life-sized wildlife targets. Our small class sizes allow for maximum individual attention, and shooters will complete the course with confidence in their ability to make a successful shot in nearly any circumstance. *Price includes use of BRC precision firearms, and all field equipment.*

### **"LADIES-ONLY COURSE"**

Date: August 10-14

Rate: \$5,800.00 p/p

Length: 3 days, 4 nights

*Course Overview:* No experience needed! Ladies, this is the perfect opportunity to learn the basics of shooting, while in a comfortable setting and in the company of other adventurous women. You will acquire the skills and confidence to accurately shoot rifle, pistol, and shotgun or carbine. We instruct this course in a way that is extremely fun, educational, and safe. Spend your mornings in firearm training, and your afternoons being pampered in our spa, enjoying fine wines, fishing our lakes, or enjoying other on-site activities. Come away from this course with confidence in firearm handling and safety, and the ability to protect, defend, and hunt. *Price includes use of BRC firearms, gear, and several afternoon program activities. Observers are welcome to visit the ranch for R&R and other activities while the ladies participate in the course. Observer rates apply.*

## **"PRO-HUNTER COURSE":**

Date: August 3-7 or August 17-21

Rate: \$5,280.00 p/p

Length: 3 days, 4 nights

*Course Overview:* This is the next step for our Precision Hunter Course graduates who want to advance their shooting and hunting skills or prepare for a specific upcoming hunting trip. This course will cover aspects of hunting which include observation, tracking, concealment and movement skills, and planning the hunt. You will learn how to engage targets in low light, moving targets, steep angles, and extend your maximum shooting distance all while becoming proficient in reading your environment. You will be faced with challenging shoot/don't shoot scenarios, engraining into you the ability to make the critical and quick decision between making a successful ethical shot and making a mistake. Shooters may bring their own personal rifles and optics system or rent a rifle and purchase ammunition at the ranch. *If you have not taken our Precision Hunter Course, but have completed a similar training course elsewhere, you may be eligible to upgrade to this course. Our instructors will make the decision prior to deposit being paid. Price does not include range rifle rental.*

## **"PRECISION ELK HUNTER COURSE":**

Date options: October 21-26, December 4-9, December 11-16

Rate: \$6,980.00 p/p

Length: 4 days, 5 nights

*Course Overview:* This course combines 1.5 days of our Precision Hunter Course with 2.5 days of hunting for cow elk at Branded Rock Canyon ranch. The course starts with a classroom portion to review the groundwork of ballistics and rifle systems, and then progresses to our "Zero Range" for instruction out to 600 yards. We will push the limits to your maximum ethical distance, but concentrate on first round hits on realistic-sized wildlife targets. The hunt portion will be practical application of your coursework, as you and your professional guides venture afield in pursuit of cow elk. Guiding will be 2x1, with a maximum course size of 6 hunters. *Range firearm rental and gear included. Requires successful draw of cow elk license in general application, secondary draw, or purchase of leftover tag (if available) for Colorado GMU 31 (\$772.50 plus application fees for non-residents). Experience level: valid Hunter Education card or Apprentice Hunter Certificate is required for purchase of Colorado elk tag. No other experience required.*
