Golf Shop

As we head into the 2021 season, we'd like to remind everyone of the changes to our check-in policy in the golf shop. These changes apply to EVERYONE – no exceptions. As previously communicated, we've deployed Teesnap as our new golf POS system, which will be managing all course play electronically.

Tee times can be made online, in-person, or by calling the golf shop. Our online booking engine will be located on the homepage of our website and be deployed as soon as SGC opens on a full schedule.

MEMBERS may book tee times up to 14 days in advance
Non-Members may book tee times up to 7 days in advance

Check-in Policy:

Golfers must check-in with the golf shop prior to play.

Golf cart keys will be distributed by the golf shop and will no longer be left in the golf carts. Golfers must take the cart they are assigned.

Golfers with their own golf carts must also first check-in at the golf shop as start of play is entered into Teesnap.

The golf shop will need to enter customer information into the POS the first time you play – please be patient with us. For those that have already purchased a membership – your account is already setup.

Please verify your email when requested by Teesnap

Memory Lane

Making Memories

“We didn’t realize we were making memoires; we just knew we were having fun”

This page of the *Tee Times* is dedicated to members sharing memories. It has been enjoyable being able to share the special times that have left an indelible mark on us.

I will admit that some months it is tough tracking down people to share a memory. When I pose the question directly, most people will say “uummm... I'm really not good with these...” or they will quickly say, “Try asking so and so, they always have a good story.” Or even “I gave a memory last month”. But it is not until a few hours later, after the turn at hole 15, when I stroll on to the porch and sit in the whicker, that I will start to hear the stories. A drink is usually involved, and some light conversation about the successful hits of the day. After a little while stories start to come. The tall tales of the holes in one, the amazing shots that can never be repeated, and the unmentionable cart incidents that we will not talk about.

Memory Lane

I soon realize that the process of filling in this memories page is not about “extracting” a story from a member, but what I truly need to do is get involved and make the memories with them. being on the course, walking the greens alongside friends, and even sharing a drink on the porch is what makes the memories real.

In this past year of COVID, it has felt like we have lost so much. Loss of time with loved ones, loss of experiences, loss of money, loss of opportunities... Opportunities to make memories have weighed most heavily on us. So, with the start of a new season at SGC, let's appreciate the memories a little more. Join your old friends for a round of 18. Bring a new friend to experience all that SGC has to offer. Make memories with us.
