UPTOWN GIRL!

Shooter's Mrs. Brenda's Old Time Photos is definitely movin' on up, as plainly seen by her awesome new studios in the downtown leg of the Branson Strip! So okay, although "movin' on up" the Branson Strip location-wise, Mrs. Brenda's superstar photo studio is technically and geographically located in Branson's downtown instead of uptown! But as all of her fan base of Branson celebrities and outta town visitors know, olde timey photo fun don't get no better, which makes this downtown locale only for the uppity! Read all about it on pg 29!

If Paul Revere were sounding the alarm today, it for sure wouldn't be "The British are coming!" Maybe it'd be more like "The Government is Coming!" Just sayin'! But here's the good news—**Freedom Journey**, the hit show of Branson's annual Veterans Homecoming Week is now playing all season long at **Branson's Freedom Encounter Complex**; (formerly known as the spectacular Tony Orlando Yellow Ribbon Theater!) This heart-stirring production of celebrity patriots, live music and theatrical performances both on stage and via powerful multi-media is an American love fest both revealing plus (hand on The Bible)—*inspiring!* See what we mean by watching the video at freedomfocus.us, freedomencounter.com. Then just go. Note: **More Good News: Kids 12 & Under FREE! Show of Shows!

If you haven't been here before—these pages should give you control of the choices you've got for some mighty good times!

But if you *have* been here before, yet not for awhile—like maybe not even since before winter—*can you believe what they've done with the place?*

Old things have either gone off into the sunset, gotten shiny new facelifts, or have been transforming into new stuff for fun! Not only that—a brand new crop of spectacular eye-poppers and jaw-droppers have already sprung up all over!

What we've got going on here is something like that foreign word from our history books that they taught us back in grade school—a *renaissance*, which translates about the same as that Bible notion "born again!"

But let's not panic. 'Tho much has changed—for the better, we should add)—the main things many folks have always appreciated about this place remain alive and well today. What we speak of are the values celebrated here—be they celebrated on stage with music, song and dance, or expressed everywhere folks eat, shop, stay or play. Of course it's those Great American values of faith, family and flag that we're referring to here. At times like these, that's the breath of fresh air we all need—that extra boost not even the lovely surrounding mountains, lakes and outdoor fun can provide alone—but the boost that breathes extra life into it *all!*

To summarize—each one of us here have landed in a wonderful place to recharge our human batteries—a place that's provides a full buffet of excitement and fun, a setting for relaxation and rejuvenation—and even a heart-stirring boost of *inspiration!*

That all being said, browse these pages. Obviously, there's too much fun here to do all in one trip. You'll have to come back. But for now, just choose your fun, kick back—and *enjoy the show!* ♦

A Penny For These Thoughts

Well, there's so much bad news goin' on in this ol' world right now that it's comin' at us ever' which-away—even if we don't spend a New York minute listenin' to the TV, Radio, them little hand phones or that computer Internet. Me, I get a earful of the radio which I got on for the cows during milking. So far, it don't seem to bother them none, which I'm thankful for.

If ever there was a time when the Good Lord was callin' His people to pray then this is it. We're to pray for God's hand to protect all them poor souls goin' through war, sickness and all this ol' world's other afflictions—poverty, bad storms, lawlessness—you name it.

Now for some Good News. The Good Lord's got a whole book of promises to overcome all them evil curses for any of God's people who got faith no bigger than a mustard seed which, truth be told, is about half the size of a gnat, yet enough, says The Good Lord—to move a mountain for anybody nervy enough to pray to Our Heavenly Father and just believe His good promises. (*Read all about it in Mark 11:22-24, and in plenty other places in The Bible.*)

Oh, but you prayed, sez you—and nothin' happened! You prayed all night for Uncle George and he "went home to the Lord" anyhow, sez you. Or what about that sweet little innocent that the whole church prayed for, believing—only to have their hearts broke?

Well, "Little Children"—(I'm speakin' to us imitatin' our Heavenly Father here—)*—what you're talkin' about is between them and Me. What I'd love for you children who I love to the moon and back to do for Me is to just do what I say and to want to. Come before Me in a loving way which I like to call worship and thanksgiving. Spend some time with Me. Share your heart. Listen to Me by reading My Word—that thing you call The Bible. Then call on Me to interrupt the god of this world and undo what He's doin'. This is how I want you'uns to pray: take up the weapons I gave y'all. Pick up that "sword of the Spirit" which is My Word, My promises, and start whackin' away at every god-awful thing the evil one is tryin' to do to this world*

I made and gave to My people to rule and reign for My glory! Adam gave it away, My Only Begotten Son paid for your sins and won it back for you, and now you have the authority to call on Me to overrule the laws of sin and death with the rules of eternal life! Read all about that full armor of God I'm talkin' about, over there in The Bible Book of Ephesians, chapter 6—that "helmet of salvation" and that "shield of faith"—and keep a—"fightin' the good fight"—for we "wrestle not with flesh and blood but with powers, principalities and wickedness in high places!" You get to do this and to start seein' victories 'cause you're My Children! (Again, I'm just imitatin' The Good Lord's voice here.)

Now it's back to just me talkin'. Here's somethin' big on our Heavenly Father's heart right now that He's leanin' on me real hard to say, yet He's puttin' a lid on me to keep me from screamin' it too loud. Here it is: He wants us to repent. He wants us to know we're forgiven all day long. And in this dark ol' world He wants our light to shine.

If we believe what God's Word says, then we know we sin every day. (If you need proof of that, go Read 1 John 1:8-10) Some sins we know about. Some only He knows about. But as long as we're down here on this earth of rock and dirt, we need to repent all day, be forgiven all day, be confident (in Him) all day, thankful all day—and let our light shine all day. If we do, then our day will be filled with *righteousness, peace and joy in the Holy Ghost*, just like the Good Book says in Romans 14:17, (one of my favorite Bible promises!)

Now let's not forget—they promises of *righteousness, peace and joy in the Holy Ghost* was made at a time when all the Lord's people was gettin' persecuted by them ornery Roman Empire hotheads and blind-as-bats religious thugs! Many of God's people laid down their lives "to obtain a better resurrection" as the Bible tells us over in the Book of Hebrews; (11:35)—but others clung to God's promises of protection and deliverance and God performed them as He does today for them who believe with childlike faith. (Psalm 91 has got a full boatload of them promises if you need you some real quick!)

But here's the good news for all God's people in these dark times—as the world goes sideways, "Arise and shine for thy light has come! For darkness shall cover the earth—and deep darkness the peoples; but the Lord shall rise upon you, and His glory shall be upon you. The

Andy Williams MOON RIVER THEATRE RENAISSANCE of an ICONIC SHOWPLACE!

Master Illusionist Rick Thomas, *Mansion of Dreams*, arguably among the most spectacular, (yet family-friendly) mega productions of magical entertainment on the planet—returns in all its glory to the iconic **Andy Williams Moon River Theater** this season 2022—the storied showplace which as every eye can see is experiencing a glorious renaissance! (Honestly, who can resist being mesmerized by those giant, outdoor TV screens!)

But folks, as every eye can see on this page—that's not all! But wait, there's even **much, much more to come!** (Keep up with all the latest announcements at AndyWilliams.com or on your Branson Insider Facebook page)

**STUNNING MAGIC. FUN COMEDY. EXQUISITE DANCERS.
BREATHTAKING MOMENTS OF PURE INSPIRATION!**

After years of world travels and reigning as the top family show in the history of Las Vegas, **Master Illusionist Rick Thomas** premiered *Mansion of Dreams* right here at the Andy Williams Moon River Theater! Having labored on *Mansion of Dreams* for over twenty-five years, it's appropriate that Rick calls the production his "show of a lifetime".

AUDIENCE REACTIONS

Epic! And that goes for kids, Moms and Dads, Grandmas and Grandpas, fans of magic, and even folks who, until this show, didn't give a hoot about magic! Even the magic world is calling Rick's show a "game changer" for the entire industry! It's *that* spectacular!

THE EXPERIENCE

The curtain opens. Immediately, things happen. Jaws drop. Reality is suspended. We are stupefied, as one unbelievable event transforms into another at almost breakneck speed. Special effects are astounding. The music, the dancing and theatrics are spectacular. Rick is a world champion ballroom dancer, and it shows,

especially when he takes the hand of the show's lead dancer; **international ballet star Tara**, his dancing (and marriage) partner. The performance is mesmerizing. Then, something happens that is downright shocking.

THE SHOCK!

The music stops. Rick breaks character. He grins. Turns around and looks at the stage, then shrugs, looking almost bewildered. "Wow," he says. "That was pretty cool!"

We laugh. Then we see the other side of Rick. He's a fun guy. Rick's interaction with us out here in the audience is absolutely brilliant. He has fun with us. We have fun with him. The result: Rick launches our concept of entertainment to a whole new level. We end up both inspired with wonder and sublimely uplifted!

We are told by those who know that there is nothing like *Mansion of Dreams*—not here, not in Vegas, not anywhere else in this world. We believe it, for not only are we being entertained by one of the world's most celebrated magicians of our lifetime—

many of us may discover, upon leaving The *Mansion of Dreams*, something else. Due to the show's theme, and to things said and performed for our entertainment, long-forgotten dreams of the heart can very well be awakened anew—almost as if by magic.

1959-2022 BRANSON'S FIRST SHOW:

TOPS itself
YET AGAIN!

BRANSON'S FAMOUS BALDKNOBBERS

Every season, Branson's prestigious awards shows prove what we've been saying all along—the legendary, (and even historic) **Branson's Famous Baldknobbers Show** has been topping itself every season since away back yonder in 1959—but wait, that's not the part that makes history every year!

The fact that a live show performing to audiences almost every night, almost every month, almost every year for an unprecedented **sixty three years** is an accomplishment that in the world of show business is absolutely, positively and historically—well, like we've already said—it's unprecedented! Not even the legendary Sons of the Pioneers, nor The Rockettes of New York's Radio City Music Hall have kept up with The Baldknobbers schedule, even though they too have endured for decades!

Now we begin to understand why Branson's Famous Baldknobbers were enshrined in an historic display at **The Smithsonian**

Award-winning singing stars: 3rd Generation Baldknobber Brandon Mabe and Brandon's lovely wife and leading lady Megan!

Museum, the keeper of our national treasures in Washington, DC! (Those treasures include The Wright Brothers' first aeroplane, Lindbergh's *Spirit of St. Louis*, George Washington's uniform and Dorothy's ruby slippers from *The Wizard of Oz*, to name a few!)

THE SECRET TO THEIR SUCCESS

Here it is in a nutshell folks: their showbiz ethic since Day 1 has been to top themselves in every performance. In other words, to make today's show better than yesterday's. Here's number 2, (looks like we oughta number these.) The show changes with the times and stays current, yet it also "dances with the one who brung ya,." Translation: a blend of the old, the new, comedy both

WARNING!

Award-winning comedy star Jerl "Hargus" Adams is up to something. Actually, he's up to plenty. That there's your warning.

current and timeless—and a celebration of the values which are the bedrock of these Ozarks—faith, family and flag—values which

laid the foundation for every Branson show to follow—and for every Branson visitor to experience.

THE 2022 PRODUCTION

Step inside the completely revamped and remodeled theater lobby. That should tell you something.

Now for the show. Heading up the show is **Brandon Mabe**, son and grandson of the family that "started it all". At Brandon's side is his lovely wife, leading lady, and **Branson's 2021 Female Vocalist of the Year Megan Mabe!**

Backing up this dynamic duo is a posse of multi-award-winning musicians and vocalists, plus a bona fide comedy legend! Topping it all off is the show's huge new production enhancements of sound, lights and whiz-bang special effects!

Expect top country hits, (including some of that "outlaw country" with "attitude"), traditional country favorites, southern rock, soft rock, old time rock n' roll, bluegrass, gospel, patriotic salutes, hilarious side-splitting comedy and more—the "more" being about the hottest musicians, vocalists and country comedy in this particular galaxy!

THE TAKE-AWAY

It's unheard of for a show to stay popular for over 60 years. That is an historical fact. But this isn't just a show with a history. Whenever the curtain rises, this show aims to *make history!* ♦

THE BALDKNOBBERS GOSPEL SHOW

This "Rock the House" Gospel show which premiered last season is all about the key element of what would later be known as the Branson show "formula" which Branson's first show pioneered: the straight-up Gospel segment. Now, **Branson's Famous Baldknobbers Gospel Show!** is a full blown show of it's own! In it's first season, **The Branson Show Awards** crowned it **The 2019 Gospel Show of the Year**, as well as the show's legendary vocalist **Dan Keeton The 2019 Male Vocalist of the Year!**

Gospel Hall of Famer!

Legendary Gospel tenor Dan Keeton brings "rock-the-house" Gospel to both big shows!

THE VINTAGE BALDKNOBBERS SHOW

WOW! Original songs, comedy and even COSTUMES and SETS from vintage versions of Branson's first show—all the way from the 60s,70s thru the 90s! We're talkin' sequins, shoulder pads, fringe—the works! Plus of course, the country classics and funny business that sparked the Branson explosion that turned our small Ozarks village into the Showtown we see today!

Here's our big chance to experience the spark that blew up into a national and even international sensation! For The Baldknobbers cast, this show is the joy of their lives. "I grew up with this show," says Brandon Mabe, fourth generation member of the family that "started it all". "This is a tribute to my family. I'm doing two songs from my late Uncle **Dennis (Mabe)** who I adored growing up. Everything in this show is a tribute to all those who came before us. It's what helped shape us to who and what we are. It's our attempt

to pay respects to that. It's what started everything we see in Branson today."

Says Megan, Branson's wife and co-star, "I'm going to sing two Dolly Parton songs—two which **Joy Bilyeu** sang back in the day. I would

be far more nervous singing those two songs in front of Joy than if I had to sing t in front of Dolly! Even though Dolly is an idol, those people like Baldknobbers stars **Joy, Dennis, Gene Dove, Bob Leftridge** and all the rest—those folks are **our** idols.

"Our passion is to carry on what was handed down to us. The history, how it evolved—for us it's paying tribute and honoring all the Baldknobbers performers who came before us. Even though we weren't there in 1959 or 1989, we want to make sure people see how special it is, as we help carry it on and hopefully hand it to someone else to carry on further." ♦

My Voice

by Megan McCombs Mabe

Star of Branson's Famous Baldknobbers and TV's Branson Famous!

THE GIFT

The life of an entertainer looks quite simple to the average show-goer. We roll in, throw on some rhinestones and spend two hours dancing and singing our way to an inspiring and joyful finale. We are problem and stress-free. We get paid to have fun. Compare that to a grueling office job or taxing construction gig, and we seem to be, what some would consider, a spoiled bunch. We have found the equation to avoid the "real job". We have evaded the reality of hard work. We are a privileged kind, void of the grit and know-how it takes to live in the rough landscape of the working class. We are some of the lucky ones.

This perception is grossly inaccurate.

We are indeed lucky. We are blessed beyond measure to do what we love. However, contrary to what many believe, our job is as real as one can get, and the words "grueling" and "stressful" are every bit as prevalent in our world as any other.

You see, as an entertainer, my job is to make others happy. I am to capture the worries and cares of each member in our audience and, with constant smiling enthusiasm, sing them away. A guest's burdens are mine to transcend. I am the "come forget your problems". I am the escape. If I struggle in my performance—if my smile wavers or my happy cracks—I not only fail to be the escape, I become another piece of the problem.

This is the entertainer's "real". This is our stress. This is what requires the grit and know-how in our world of performance.

We are real people. We have an entire day leading up to showtime full of all of the obligations and responsibilities that any "working class" individual endures. We have multiple side jobs, homes to maintain, children for which to care, appointments, meetings—all the stuff. As much as we would love to lounge during our free

hours sipping on cocktails and awaiting our glamorous stage appearances, we are bound to the very same real-world tasks as anyone else. It is not unusual to slide in ten minutes before showtime with makeup half done and a messy hair bun—the result of a stressful day of adulting. Yet, in that ten minutes, we always find a way to transform, set it aside, and become the entertainment our guests pay to see.

We do shows when we are sick. We do shows with broken bones. We do shows, sometimes just hours after some of life's most difficult trials—after losing a loved one, putting a pet down, finding out a grandmother has dementia, having an outpatient surgery, receiving bad news from the doctor. I list these—and there are so many more—because I have witnessed entertainers, and have myself experienced these types of trials mere hours before a show. As an entertainer, you compartmentalize. You find the room, you place the pain within that space, and you find the smile required to take another individual's pain away at the expense of your own.

It's selfless. It's hard. It's grit.

I am so very blessed to perform each and every night. The sacrifices and the determination it takes to maintain "show Megan" can be hard, but worth it. I get to bless others with the joy of music. I get to replace their pains and sorrows with

the beauty of live entertainment, and in doing so, help to heal some of my own.

It is a gift.

"Sing praises to the Lord, O you his saints, and give thanks to his holy name. For his anger is but for a moment, and his favor is for a lifetime. Weeping may tarry for the night, but joy comes with the morning." Psalm 30:4-5 ✨

nations shall come to your light and kings to the brightness of your glory. (Isaiah 60:1-3)

The world may be goin' one way, but God's people are goin' t'other! The whole world's lookin' "all shook up," like Elvis said, but God's Kingdom is risin' up! The world's gettin' stingy, but God's folks who are stayin' close to Him just keep giving, getting their needs met and enjoyin' that righteousness, peace and joy I can't stop talkin' about! Deception is everywhere—yet all over the world folks are winnin' at the darkness, "seein' the light" and turnin' to the Lord! (Don't look for news about that good news in the news—look for it in church!)

Now here's another newsflash: *Many are the afflictions of the righteous, but the Lord delivers him out of them all!* (Psalm 34:19) Folks, if you ain't been afflicted lately, then I hate to have to give you some bad news—you must not be too righteous! The devil is scared to death of righteousness and he's gonna try and snuff it out wherever he sees a flicker of it. But wait, are you payin' attention to the GOOD news part of what The Good Lord just said? He said plain that He delivers us from it *all!* (That is, if you got that tiny spec of mustard seed faith that can move the Swiss Alps mountains, which I'm told is bigger than these Ozarks ones!)

Here's one thing I learnt—if I can get up earlier than the milkin' and spend a good hour with the Lord, I feel His peace,

His joy and His presence all day long. The fiery darts the devil shoots at me may sting but it just don't seem to hurt much—and it ain't long before they just fade into a puff of smoke, so to speak.

What I have learnt in my many years o' prayin' (and from what Jesus Himself says)—if I just spend time with the Lord, just me and Him, reading His Word, talking and listening, singing to Him even—just spending time in His Presence—then before we wrap things up, here's what I do—I spend no more than the last few minutes praying about all the things at the top of my heart and head. After spending most of my time with Him, all the mustard seed faith I need is right there for them last minutes of prayin' for things to get done.

After that, for them problems what may pop up later—bingo, quick prayer, end of story. The main thing is to keep the Good Lord "in the loop" so to speak—all day long. Keep Him in the conversation. Keep Him close.

Now in spite of all the bad news in this good ol' USA that was founded by God seekers who came here to worship our Good Lord freely—here's a penny for my thoughts. I know you can afford it, so go look at one of your Good ol' US pennies yourself—for what this whole sermon is all about is right there for every eye to see—"In God We Trust."

Can I hear an "Amen?" ♦

The Latest News From The World's Largest Performing Family!

Season 2022

UNHEARD OF

Where else can you experience a performance from what **USA Today** calls “the world’s largest performing family”? That newswatch refers to one particular family of four brothers and a cast of their wives, children, their children’s spouses and even their children’s children! Together, this outfit performs a music and dance extravaganza—over fifty of them being musicians, dancers and singers who have been studying and performing music and dance together the better part of their entire lives! Pretty unheard of, right? One exception—right here at Branson’s **Hughes Family Theatre!**

Psst. Here’s a backstage secret: Youngsters in **The Hughes Music Show** have spent three-to four hours a day practicing their music ever since they can remember. Experts say it takes about 10,000 hours to become a master. At this rate for the kids, about 7 years. So get ready. At this place, audiences are entertained by *masters!*

Besides starring in **The Hughes Music Show**, we see on the page to our left, that some of the youngsters from the Hughes cast are also starring in their own hit show—**Re-VIBE**. (Read all about it!)

Now about that **Hughes Music Show**, the masterpiece production of Hughes Family Nation which has reigned in Branson for over 20 years and received just about every award in Showtown! As fans all know, this show is way more than just a show of music! Yes, this huge Hughes entourage of performers spanning the ages from babyhood to adulthood are brilliant music makers—(violins, guitars, drums, woodwinds, keyboards and on and on)—but they are also amazing singers, dancers, acrobats and slapstick comedians!

Although the four Hughes Brothers and their ever-expanding family of star performers have been playing to packed out Branson audiences for decades, we are issuing this **ADVISORY**: If you haven’t seen this show lately, then you haven’t seen the latest incarnation of this showbiz treasure!

So what can one expect? This: off-the-charts musicianship, dancemanship—and a

full assortment of Pop, Country, Hollywood, Broadway, Forties throwback—oh, we give up! Expect anything and everything from this cast of little kids, big kids, Moms & Dads, teens, young adults, babies, and yes, the legendary **Hughes Brothers themselves!** ♦

THE THROWBACK SHOW

We speak of the new **Hughes Brothers Country Show** which has already kicked up a cyclone of high praises! Yes, it’s new, yet only kinda sorta, since Country Music is what originally stole the hearts of Branson audiences back in the day and made this outfit a showbiz legend! Yet with all the changing whims of us audience types, The Hughes boys expanded into all our musical cravings—but their country roots have always remained.

So here we are, back in the saddle again! Expect Country Music past, present and way cool, plus a whole lotta “horsein’ around”. In other words, this ain’t just no concert—it’s a fun fest that’s a hoot, helped along by some of the Hughes youngsters singin’, pickin’ and grinnin’! ♦

FREE CHOW AT THE CHUCKWAGON!

Can you believe it? It comes with every country show, both afternoon or evening! We’re talkin’ pulled pork sandwich with pickles and onions, home-made BBQ sauce, fresh coleslaw, baked beans and pork chunks and plenty of cool

water! (Other beverages available). Meals can be et at tables before the show, or served during!

But we’re saving the best for last, so here it is—The harmonies of this band of brothers, these country crooner Hughes Brothers, is a treasure richer than all the gold in California, for brotherly voices in harmony for a lifetime is an experience to behold. ♦

Elvis & Jerry Presley:
**WHAT A STORY,
 WHAT A SHOW!**

Wow! Four full-blown productions of authentic Elvis shows—complete with the trademark Elvis entourage of keyboards, horns, electrics, percussion—and OF COURSE lady backup singers and a Gospel quartet! Anyone of any generation who never knew how insanely awesome an Elvis concert was—here's your ticket to rock 'n roll heaven! The most common reaction (and quote) from fans in the know is this: "It's the most authentic Elvis show I've ever seen!"

What other Elvis performer is related to Elvis three ways, hung out with Elvis, was encouraged by Elvis, attended over a dozen Elvis concerts, and even served in the Army like Elvis? But folks, that's not all! Like Elvis—Cousin Jerry even has a twin brother! And it gets even better, for Elvis's original backup singers, (**The Jordanares**, **The Stamps Quartet** and **The Blackwoods**)—performed with Jerry for years! And just

to add another zinger—two members of Jerry's current cast, (singer **Denny Yearly** and trumpeter **Jay Daversa**) *also performed with The King himself!*

What we love most about Jerry's Elvis concerts is that they are real. No over-the-top Elvis exaggeration and schtick—just amazing performances crafted to recreate Elvis live shows as they really were. We also love the fact that in between numbers, Jerry too is real. He's not Elvis. But what a guy. A gracious host and full of Elvis stories, Jerry has fun with the audience as well as his fellow performers. But when the music starts, Jerry becomes Elvis.

Says Jerry, "I'm not an impersonator, I'm a family member doing the songs of Elvis and I try to keep it as authentic as I can. You will never see me do things that Elvis didn't do."

Elvis couldn't have found a better guy to carry on his legacy. A devout Christian, Jerry's life has not suffered the turbulence that befell Elvis—yet the kindness, respect, generosity and even heart for God that Elvis was known for—is alive and well in cousin Jerry Presley—the one we believe to be very much the keeper of the flame. ♦

**Tribute Shows
 APPEARING LIVE AT
 GOD & COUNTRY!**

Elvis & Jerry

- Jerry is related to Elvis 3 ways • He was one of the first Elvis tribute artists out there • Elvis's Manager Colonel Parker disapproved of Jerry • Elvis came to Jerry's rescue, encouraging him • Jerry attended over 13 Elvis concerts • He met Elvis at Graceland • He treasures several gifts Elvis gave him • He met briefly with Elvis backstage in June of '77 • In August, he received a note from Elvis apologizing for the short meeting and inviting him back to Graceland • Days later, Elvis died • At Graceland after the funeral, Jerry ran into Elvis's Dad Vester sitting on the stairs. "I guess it will never be the same around here anymore," said Jerry. With tears in his eyes, Vester answered, "No, Son, I guess it never will be." • "Elvis was a humble guy," says Jerry. "He didn't put himself up on a pedestal. He loved people. He was such a giving person. There will never be another Elvis."

HUGHES FAMILY THEATER WELCOMES HIT SHOW! YEARS IN VEGAS. ENDLESS WORLD TOURS. CHARITIES.

UNBELIEVABLE!

When this global sensation swooped into Branson from Vegas, their dinner show was such a smash hit—they ended up swooping up a handful of Branson's top showbiz awards to add to their vast collection! (Best of Branson's 2020 BEST NEW SHOW AND 2020 BEST DINNER SHOW!) But alas, that was just the beginning, (as we see in the splashy burst on this page!)

The good news is that this extravaganza of magical family fun (with or without dinner) is launching Season 2022 from their new theatrical home—The Hughes Family Theatre, which makes absolutely perfect sense, (of course being a family show in the home theater of a legendary performing family!)

The Dinner Option!

A word about that dinner, which you can elect to include. The Show starts at 5 and the dinner starts at 6:30, which is perfect,

being as how convenient it is to just relax, dine, then take in an evening performance of one of the epic Hughes family shows, (as seen back on pages 10 & 11) As for the menu; pork loin, grilled chicken breast, salad, chocolate mousse—that should help paint a picture.

Magic's Highest Honors!

Garry and Janine receive their prestigious 2020 Merlin Awards in Las Vegas.

Magic's Top Honors!

Not only did magicians **Garry & Janine Carson** sweep Branson off its feet, (so to speak)—in 2020 the entire magic world bestowed its highest honors upon this dynamic duo! It definitely deserves a drumroll as we make the announcement here: At an international event in Las Vegas, Garry and Janine Carson received the prestigious **Merlin Award** for **"The Best International Magic & Illusion Duo!"** To

cite the award representing 37,000 members of The International Magician's Society: *"This magical duo has been traveling the world and seen in over 40 countries, performed for military troops overseas and has provided their show as a fundraiser for non-profits & service organizations for children and families for over 14 Years."*

A Whole New World!

It all changed when Gary met Janine, an EMT nurse with side hobbies that included dancing, costume design and modeling. For both of these two, it was the beginning of a whole new world! First came love, then came marriage, then came this amazing twosome making magic together all over the world—Janine performing with her husband, designing costumes, managing a blizzard of showbiz details—and eventually adding "backstage Mom" to her resume. That came about by the birth of Sophia, now 3 years old. Which, once again, changed everything.

World tours with wild animals got to be a bit much for these new parents. Although they had several offers for resident shows in Vegas, they were attracted by the family atmosphere and family values championed by Branson. Lucky us, for to us they have come!

All in The Family!

Here's a NEWS FLASH: During the performance, you are very likely to see the appearance of three year-old Sophia Carson, the show's rising star. And at the end of many an illusion, you will for sure see Garry and Janine flow into each others arms as they take their bows. But as this behind-the-scenes Insider reporter has observed, that's not just part of the act—it's a glimpse into their lives. *

Garry is the founder of **sponsormagiclink.com**, a huge organization providing entertainers for charity events. Their slogan, appropriately, is: **The Magic of Helping Others!**

3 year-old Sophia makes her grand entrance.

Wild Times!

For decades, international sensation **Garry Carson** reigned in Vegas. His magic astounded viewers on network TV and dazzled multitudes on world tours with his huge entourage of stage hands, props, performing

assistants and (shall we mention?) a supporting cast of tigers, leopards and other wildcats that Vegas legend **Roy Horn** (of **Sigfried & Roy**) helped him train. Besides entertaining, Garry built illusions for other magicians, **David Copperfield** being one of many.

Garry during his "wilder" days!

Dig THIS: It's their 20th AWARD-WINNING "Far Out" Season!

WOW!!!

Like every one of its past seasons, this show's 20th award-winning season in Branson is amazingly a "brand new bag", so to speak. Oh, and about the latest awards; In Season 2021 this show took home Branson's *Show of the Year Award* plus the *Matinee Show of the Year Award!* (courtesy of *The Branson Show Awards* and *The Terry Music Awards*.)

That being said, get ready to dig a show this season that is more outta sight than ever! You can constantly reinvent a show with the music of this era, for it is hard to find any other period in history that exploded with such a diversity of musical brilliance! Its song library is absolutely enormous. And just as impressive, this is music that remains embedded in the hearts and minds of our culture even now—a half century later!

What we have here is a musical feast of that incredible era—a song and dance party of music so groovy it's been adored by every generation since! Many of those hits make it nearly impossible to resist dancing, many flood the heart with memories—and many take us on emotional roller coasters that make it hard to resist tears. But it's all good, and with this **all-star cast of singers, musicians and dancers—**

Nerd Alert!

Goin' to the Chapel!

A hair-raising experience!

Power couple Amber Campbell and Matt Muhoberac.

it's more than good—it's a blast that refuses to go away long after the curtain falls!

THE UNRAVELING:

Unpacking this vast musical library is a troupe of singers, dancers and incredible musicians headed up by brilliant musical director and producer **Matt Muhoberac** and his multi-talented wife, co-producer and star vocalist **Amber Campbell**. Along with the show's amazing live music and dance, (more than 115 songs and about a zillion costume changes)—we are treated to a visual buffet of hairdos, clothing styles and iconic characters many of us grew up with—or were! (You know, Bookworms, Nerds, Greasers, Jocks, Hoods, Hippies etc.) Comedy skits of highschool life in the 60s bear witness that there is much to laugh at from those "Happy Days." One of the show's highlights, (there are ga-zillions of them), is when the highschool hop spills into the audience and many of us end up dancing! Fun!

Warning: Some much-beloved hits of the 50s and 70s have also segued into this show. Audiences have been totally

cool with that. In fact, they think it's pretty righteous. That there's your warning.

HOW COOL IS THAT!

We say it's pretty "happening" that show producer **Matt Muhoberac** grew up in LA amongst a family of professional musicians, and that his music career as a composer/arranger/singer/musician has graced iconic TV shows such as *General Hospital*, *NBC Sports* and *Friends*, plus A-list ad campaigns for *McDonald's*, *Budweiser* & *Chevrolet*—not to mention scoring animated series such as *The Addams family*, *Power Puff Girls*, *Life with Louie* and *Bill Cosby's Fatherhood!* Matt is a founding member of

the show, which is where he met the lovely lady who is now his wife PLUS the show's leading lady—powerhouse singing and dancing star **Amber Campbell!** Besides entertaining, the awesome twosome are happily raising their daughter Jade and enjoying their lives working with the amazing entourage of stellar musicians, dancers and singers of #1 Hits of the 60s! Like it is for everyone in the audience—this show for them is just plain fun!

THE SURPRISE We come to that moment in the show which, in our view, qualifies as one destined to be unforgettable.

On the screen are films and photographs of the war in Vietnam. As we watch the faces of those men and women doing their all for Uncle Sam, we are listening to the music they listened to. It isn't the patriotic music we usually hear in **tributes to our veterans**—this is *their* music. For many, the music of that era stirs up a flood of memories.

Some in the audience are taken aback when they suddenly see their own pictures on screen. This is a secret surprise the show's producers like to cook up for veterans groups.

When the faces on screen fade into the words "**To All Our Veterans: Thank You from a Grateful Nation!**"—the message speaks for what dwells in most of our Great American hearts. ♦

The Troupe: (Front, L to R,) Mike Williamson, Kelly Parrish. Jordan Dickison, Dino Phillips. (Back, L to R) Kaylee Riggins, Michael Jason Frost, Josh Carroll, Matt, Mike Williamson, Amber, Eric Dalton.

THRU MAY 24:

THE TEMPTATIONS

Legends in Concert's legendary showcard begins with the legendary **Temptations!** The moves and grooves of their signature "Temptations walk" taught the world that visual music was impossible not to dance to! Let's take a moment to think about these hits: **Cloud 9, I can't Get Next To You, Ain't Too Proud to Beg, Get Ready, ("Cause Here I Come)**—and of course, **My Girl!** To us, just presenting that list is enough to make a body wanna move and groove!

WAYLON JENNINGS

In the 1970s a new brand of country music burst upon the scene and took the whole music industry by storm—and it all came from one big, bearded, kinda ornery Texan whose new music style came to be called "**outlaw country**". Teaming up with fellow outlaw country stars **Kris Kristofferson** and **Willie Nelson** resulted in such unforgettable hits as **Luckenbach, Texas, Waylon and Willie, Mamas. Don't Let Your Babies Grow Up to Be Cowboys,** and so many more. All that, plus a body of work that enshrined this ornery one in the **Country Music Hall of Fame!**

THE BLUES BROTHERS

Of course back by eternally popular demand are those furiously dancing and soulfully singing hipsters from Chicago—the fabulous **Blues Brothers!** Honestly, who can resist getting goosebumps at seeing the almost rubber-like moves this dancing duo channels while singing their signature hits: **Soul Man, Sweet Home Chicago, Rawhide** and **Gimmie Some Lovin'!**

What other act has such a knack for getting us laughing, singing and dancing all at the same time? Answer: these guys!

ELVIS!

Ladies and gentlemen—friends... live on stage, here he is, the One and Only... (a drum-roll) *The King himself...* and folks, you can feel it, that showbiz earthquake the moment this recreated performance of The Legend of Legends hits the stage! Yes it's Elvis himself, not just some of Elvis, but glimpses of *all* of Elvis—Elvis from the Movies, Vegas Elvis, and the ultimate Elvis performing that historic medley of **Dixie and The Battle Hymn of the Republic**—that inspirational anthem that leaves us on our feet even after *Elvis has left the building!*

LEGENDS OF COUNTRY™

ADELE

Recreated live for the first time on a Branson stage is the incredible singer and songwriter from Great Britain who fast became a global sensation at the tender age of **19**, (the title of her first blockbuster album). That debut album resulted in a **Grammy Award for Best New Artist!** But that was just the beginning! Her next album (**21**), fast became the **best selling album of the 21st century**—31 million copies! And yet there's more—for she also became the **first female artist in Billboard history to have 3 simultaneous top ten singles**—**Rolling in the Deep, Someone Like You** and **Set Fire to the Rain!** Sorry if you're seeing too much red here—there's just so much to highlight! Like her record-tying **6 Grammys** and several list toppers in the **Guinness Book of World Records!** All totaled: **15 Grammys, Billboard's 3-Time Artist of the Year.** Enough already. Just come experience some of the most popular music of the 21st century—*live on stage!*

BROOKS & DUNN

When a major record label paired Shreveport, Louisiana native Kix Brooks with Coleman, Texas native Ronnie Dunn—Country Music history was definitely made! **11 albums, 50 singles, 17 Country Music Association Awards, 26 Academy of Country Music Awards and 2 Grammy Awards!** Oh and these two also won the **Country Music Association Vocal Duo of the Year Award every year between 1992 thru 2005** with only one exception; (2000) Now for a little name dropping. How's about those unforgettable Brooks & Dunn hits such as **Brand New Man, My Maria, Ain't Nothing 'bout You, that Boot Scootin' Boogie** which launched an historic dance craze, **Only in America, My Next Broken Heart, Hard Workin' Man,** and seriously, when do we stop? Just come hear some of these and probably others we forgot to mention!

PLUS THE BLUES BROTHERS™ AND ELVIS!

SUNDAYS, Thru Oct 30: 3:00 pm featuring tributes to a rotating cast of country stars—**JOHNNY CASH, PATSY CLINE, GARTH BROOKS, KENNY CHESNEY, MARTINA MCBRIDE, BROOKS & DUNN & MORE!** ♦

WHERE COUNTRY MEETS ROCK & ROLL!

The ALL STAR CAST of NASHVILLE RoadHouseLive!

(Left to right) Rick McEwen, Mark Boyd, Stevie Lee Woods, Paul Oney, Steve Leach and Robbie Springfield.

ABOUT NASHVILLE ROADHOUSE LIVE!

This show's first season in Branson was an absolute awards sweep, as plainly seen on the next page! PLUS--it was the debut of Stevie Lee Wood's new single, which is sweeping the globe and climbing the charts even as we speak!

ABOUT STEVIE LEE WOODS

Heading up this all-star supershow is powerhouse performer **Stevie Lee Woods**, whose music career in both country and rock music charted hits all the way to #1 (*Is there anything left?*) for example--and for years had him on the road opening for the likes of **Lorrie Morgan, Martina McBride, Brooks & Dunn, Diamond Rio**

and just about everyone in-between. On stage, he's explosive—consuming it like a hybrid of **Mick Jagger, Garth Brooks** and maybe even **Brooks & Dunn**—all while backed up by a lovely troupe of high-steppin', boot-scootin' dancers and one of the hottest band of all-stars ever assembled, each one a Branson legend with a big league showbiz resume a mile long!

Folks, this show is a high energy fun fest that moves fast and furious—but with plenty of heart, soul and a whole lotta love. The level of performance and musicianship is an absolute showbiz earthquake! It's that awesome! You can see the love the performers have for the music, for each other, and even for us audience types. You can feel it.

During a powerful segment of the show, for all to see, that love is expressed to our veterans, our flag, and to the ideals our nation represents. It's that kind of show. As one prominent musician was overheard saying, "these guys aren't just good, they're crazy good!"

Stevie's showbiz roots run deep. His Dad played guitar with the legendary **Lester Flatt** and **Earl Scruggs**, then later with fellow legend **Eddy Arnold**. In fact, Stevie's whole family is in the music world. Besides charting country hits, Stevie also hosted *Today's Hot Country* on TV's **Nashville Network**.

Looks like the wheel is coming full circle! ♦

THE BIG RECORD RELEASE!

Branson Star Theatre's **Stevie Lee Woods and Nashville Roadhouse Live** dropped a new record which ever since has been climbing the Country, Pop and EZ-Listening charts all over the globe! **Something About The Way You Look Tonight**, a remake of the Elton John classic, is not only released with **Sir Elton John's blessing**—the pop icon actually appears in the record's music video! But it gets even better, for the song was recorded in Branson, yet was sent to the U.K. where Sir Elton's legendary producer **Stuart Epps** (who also produced classics by such music icons as **George Harrison** and **Led Zeppelin**) assisted in "mixing" and creating the master! Upon hearing it, Sir Elton's legendary

50-year writing partner **Bernie Taupin** shot an epic email—"Outstanding! So well done!" said the email. Says Stevie, "that puts a lump in your throat."

MUSIC, AND A LIFE, THAT CHANGED EVERYTHING! CARPENTERS ONCE MORE

If we stop and listen to the music serenading us these days, whether it be on the radio, at the shopping mall, the hair salon or on earphones plugged into whatever they're plugged into—we will no doubt hear an awful lot of **The Carpenters** once more. To this day, The Carpenters remain prominent on the soundtrack of our lives, ever popular, and ever-uplifting. Truly, they are music to our ears, on so many levels.

Bringing to life these musical treasures that generations of us all love is multi-award winning singing star **Diana Lynn**. We have much to say about Diana, but first, let's address the shocking Carpenters story.

About The Carpenters

Allow us to educate you youngsters who don't know better.

You might not remember her name, but trust us, you know her hit songs and you know her

THE AMAZING CAST!

WES LARSON - (aka **Richard Carpenter**)
Keyboard & Vocals Wes has been an actor, musician and a well-rounded entertainer

for many years. He has also produced several stage productions—**Two from Galilee**, **Passion plays**, **patriotic productions** and many more. He also loves to teach vocal, keyboard, guitar and bass guitar lessons. Check out **WES LARSON VOCAL COACH** to get started *today!*

SHANNON KNUDSON *Background Vocals & Percussion* Shannon hails from California and Vegas where she performed with the **Sweet Adeline's** and **The Merry Ole Carolers**. Mother of 5 children and 2 grandchildren, she is married to **Kevin Knudson**, who previously performed with his brothers in **SIX** and currently with **Pierce Arrow**.

story—one which frankly, changed history.

Unusually, **Karen Carpenter** was both a singer and a drummer. She and her brother **Richard**, (**The Carpenters**) used their own voices to create multi-track masterpieces that dominate the airwaves even to this day. That innovation literally changed the world of music. A few examples: (**They Long To Be Close to You**, **We've Only Just Begun**, **Top of the World**, **Hurting Each Other**, **Merry Christmas Darling**, and so many more.

The Shock!

When Karen's young life succumbed to the effects of **anorexia nervosa** at the tender age of 33, the world was shocked. Until then, the eating disorder, (**anorexic**) was largely unheard of among the general public. But that was then and this is now. It was the tragic loss of Karen Carpenter that educated us all. It literally changed the world.

JAMES MCCALL *Master Percussionist* His storied musical career includes playing with rock legend **Leon Russell**. Currently, James plays for **A Neil Diamond Tribute**, **Chicago Tribute** and several rock bands.

TIM POPE *Music Director, Arranger & Drummer* The Compton, California native originally played with the legendary

Ray Charles! (He is also featured in Ray's Coke commercials! Check them out on **youtube!**) Tim has played with many greats—including over 20 years with the great **Tony Orlando!**

ROBERT TERRY *Bass Guitar* Robert has played with **The Osmonds**, **The Lennon Sisters** and currently with **A Neil Diamond Tribute** and **The Hughes Brothers**.

BOGIE BOHINC *Lead Guitar* **Bogie** came to us from California with **Tony Orlando** and later joined **Andy Williams** at Andy's

We've Only Just Begun!

The show begins with a gentleman taking a seat at the piano to portray Karen's brother **Richard Carpenter**. He begins to play. Then we hear the real **Karen Carpenter** begin to sing. Diana suddenly appears and Karen's voice becomes hers. It's seamless. Does Diana look like Karen? Well, somewhat, for her clothing style could definitely have parachuted in from Karen's 1970s wardrobe closet, but it's the voice, the stage presence and the captivating personality that draws us into the amazing talent of Karen Carpenter channeled by the amazing talent of Diana Lynn!

The Dream

Diana grew up in a family of entertainers and has been an entertainer all her life, (even during those years as a registered

Moon River Theater. He also plays for **A Neil Diamond Tribute** and several traveling shows.

TERRY LAIRD *Lead Guitar* Performing in Branson for over 39 years, Terry has been music director for such shows as **The Rankin Brothers** and **The Chicago Tribute** and has worked with **The Plummer Family**, **The Lawrence Welk Show**, **Silver Dollar City**, and **Mike Walker**.

JAY PARKS *Trombone* Jay began his career in the **Army Band at West Point!** He went on to play in **several Army Bands** for over 20 years, as well as with **Bobby Vinton** and the **Glenn Miller Orchestra!**

JAY DAVERSA *Trumpet* Jay has performed on several legendary TV shows—**The Mary Tyler Moore Show** and **The Bob Newhart Show**, to name a few. But WOW, Jay has also played with such music icons as **Barbara**

nurse, but we digress, for that's *another* amazing story.)

Her showbiz experience comes across the moment she takes the stage, for her sunny personality, both warm and upbeat, is literally contagious. Audiences love her.

Throughout her life, Diana has performed in shows of every kind. But her lifelong inspiration, was Karen Carpenter. She and Karen both share the same vocal range. Says Diana, "I always say, I was taught by Karen Carpenter. And I've always dreamed of doing a show of her music."

It's obvious, Karen was taught good. And some dreams do come true. ♦

Streisand and **Elvis!** **THE Elvis!** As a studio musician, he is featured on numerous albums, including several tunes of **The Carpenters!** Yes, **THE Carpenters!** But one of Jay's most memorable performances is in the theme song of the legendary TV show **The Waltons!**

A HEARTFELT EMOTIONAL TRIBUTE

ROCKUMENTARY SERIES

HIT SHOW RETURNS WITH BAND OF ALL-STARS!

As might be guessed by all genuine Branson Insiders, Keith's return is in the company of his lovely wife **Diana Lynn**, who opens her own award-winning **Carpenters Once More** show at the same power-packed performance venue as her husband—namely, **Jerry Presley's God & Country Theatre!** (More about Diana's show on page 22)

Some in Keith's backup band have played with Andy Williams, some with Ray Charles, Tony Orlando—and the list just goes on and on. In conclusion: these backup A-listers have SO got Keith's back!

SOMETHING OUTRAGEOUS!

Yes, we're going to do something outrageous! Actually, it was Keith who came up with the idea. Before his show begins, the *musicians are introduced!* True story, hand on the Bible! It's an awesome statement. *Finally*, we get some clues which reveal just *why* Branson's musicians are so off-the-charts amazing!

WHO'S NEIL DIAMOND?

When you hear the songs he wrote and sang—our guess is that you'll find yourself singing along and knowing the words that you never even knew you knew! Prediction: at the end of this show, you'll be on your feet singing your heart out. And at this particular time in our world, you may have to fight to hold back tears. More on that later. Here are some of Neil's songs which create the soundtrack of our lives: **Cherry, Cherry, Sweet Caroline, I am, I said, Solitary Man, Cracklin' Rosie, Holy, Holy, Shilo, Soolaimon, Kentucky Woman, I'm a Believer, Brother Love's Traveling Salvation Show, Song Sung blue, Pretty Amazing Grace**, and one we are saving for the end of this story. Stay tuned.

WHO'S KEITH ALLYNN?

Besides being an amazing Neil Diamond tribute artist, Keith Allynn is one of the most captivating entertainers you are likely to ever experience. Entertaining is not just his vocation—it's his lifelong passion. He's brilliant, he's warm, he's funny, he's full of mesmerizing Neil Diamond stories, and he literally "owns" not only the stage, but the hearts of most all of us audience types. Example: He recently performed a one-nighter for 5,000 people. No band. Just him and a guitar. The audience was so overwhelmed, the venue pleaded that Keith would stay for another show. Then another. 5,000 packed out each one. That says it all.

SEE IT
IN BRANSON
BEFORE IT'S BACK
"ON THE ROAD AGAIN!"

END OF STORY

At the show's finale, drums begin pounding. On screen is a flag waving. Keith begins singing—"Far, we've been traveling far, without a home, but now without a star. Free, only want to be free, we huddle close, hang on to a dream. On the boats and on the planes, they're coming to America. Never looking back again, they're coming to America. Home, don't it seem so far away, Oh, we're traveling light today, in the eye of the storm, in the eye of the storm. Freedom's light burning warm. Got a dream to take them there, they're coming to America. Got a dream they've come to share, they're coming to America. My Country 'tis of thee, Sweet land of liberty, of thee I sing—"

During these times in which we live, the words, the music, of Neil Diamond's **America**-resonates deep in our heart of hearts. The drums are pounding as the music swells, the audience rising to their feet. Many are wiping away tears. There is scarcely a dry eye in the house. End of story. ♦

After packing out performance venues throughout North America for the past two years, world renown Neil Diamond tribute artist Keith Allynn has landed once again in the town where adoring fans flocked to his show (**A Neil Diamond Tribute**) for a whopping *ten years straight!* But wait—*this* time, the fans are in for a surprise, for now Keith is backed up by a band of all-star musicians who, like Keith, are legendary performers in their own right! (More on that a tad later.) But as we probably too often like to say—"folks, that's not all!"

GOODBYE OZARK MOUNTAIN CRAFT MALL: HELLO BRANSON T-SHIRT CO.!

Wait—before you panic—here's the news: Many of your favorite vendors from the **Ozark Mountain Craft Mall** have NOT, repeat NOT ridden off into the sunset, as their former location might visibly, yet wrongfully suggest! Quite to the contrary, many of those popular vendors have followed their friendly craft mall owners and operators (Mark & Jennifer Grant plus their family, friends and puppies) to the **BRANSON T-SHIRT CO.**, their quaint and classy new Victorian-style shopping attraction just a short ways up The Branson Strip and just 2 doors East of the Andy Williams Moon River Theater! THE INSIDE SCOOP!

Want some fun for all ages? Well, here you go—that totally awesome **Retro Mania** at the hub of The Branson Strip! The outside looks interesting, so let's get you the Inside scoop! ('Tis what we do.)

Right away, our eyes behold a whole new world. Yet many of us are not exactly strangers in a strange land. Many of us have been to this world at other points in time and space—but today, here we are—**back in the 1980s!**

What is unveiled before our eyes is what creative geniuses have been built—

The Simpsons try out their new hand-held remote!

fantabulous entertainment—awesome stuff to do, (totally), righteously rad stuff to see, bodacious stuff to eat, and stellar 80s stuff to shop through! But people, even *that ain't* all! The attraction's new *bad-to-the-bone* eatery, (**New Wave Café**) will be featuring not only karaoke fun, but **incredible live bands** playing nothing but classic 80s jams! *Woah, dude! That is so fly!*

STUFF TO SEE

Hollywood memorabilia—(like **Mel Gibson's** actual motorcycle from **Lethal Weapon 3**, or that car out front from **RoboCop 2**), boatloads of signed *boss* movie posters and *rad* record albums (**Madonna, Cyndi Lauper, Michael Jackson**—and ka-gillions more—corridors of movie scenes, movie characters and iconic pop stars that, interestingly, are the *exact same size* as the celebs in *real life!* *Dude, we thought those stars were so humongous, but woah, they're like regular, or even smaller, like us!* Trust us, get a picture of you beside some! It's *wicked true!* As for 80s memory triggers, should we name names? Okay. **Top Gun, Flash Dance, Teenage Mutant Ninja Turtles, Batman, Star Wars, Indiana Jones, Terminator, Bill & Ted's Excellent Adventure, Footloose, Beetlejuice**,—oh, let's go on to music—**Bon Jovi, Van Halen, Blondie, ACDC, U2, Prince, MC Hammer, Bruce Springsteen, Whitney Houston**, oh *duh*, this list could go on forever! Just come see it all!

STUFF TO DO

SLASHER'S HAUNTED HOUSE

(Gulp), not gonna lie, it's creepy in there! No, nobody's gonna grab you or anything, but walking into scenes from **Friday the 13th**, or **Michael Meyers Halloween**, or seeing those scenes from **Chuckie**—well, y'all have fun in there! It's fun walking into Hollywood movie scenes, as long as you can walk out at any time! We promise, hand on the Bible—you *can*, unless you prefer to just enjoy the creepy stuff as long as you want!

RETRO ROCKER MINI GOLF Play amongst your favorite 80s rock stars, while your ears enjoy a never-ending soundtrack of 80s classics. We've said it before—seeing these characters in almost real life standing before you at their exact height, makes them feel—well, almost like real people. Like the rest of us!

Karaoke fun at the New Wave Café!

TWO ESCAPE GAMES Fun stuff, but not to panic—technically you can escape at any time, but as all non-scaredy cats know, it's more fun to just try and figure it out!

Escape to the future is based on, yeah, you guessed it—that 80s movie franchise **Back to the Future!** The other escape game, **ALIEN ENCOUNTER** is based on, yeah, you guessed it again—**Alien!** **GREMLIN'S MOVIE THEATRE** Grab a bag of popcorn and enjoy an 80s classic—no extra charge. You can even leave and come back to catch a later show—FREE! **FREE PLAY ARCADE** 80s Arcades, no coins needed! Which is AWESOME!

New Wave Café! 80s memorabilia everywhere! Killer cuisine! Trust us, you'll want to take a picture of your serving! 80s faves for every taste. (Alcohol also available) And we're saving the best for last, for **karaoke** is on tap, and **live bands playing nothing but 80s hits** appear all season!

IT'S GOTTEN WAY WILDER AT BRANSON'S WILD WORLD!

Thanks to Wild Valley

**NEW Outside Foot Safari!
Wildier Animals. No Extra Charge!**

**UP CLOSE
& PERSONAL!**

Yes, all of us can get as close to lions and tigers as caretaker Efrain Malagon, who is seen here offering free head massages to two takers—yet alas, a see-through protective shield now keeps the rest of us from offering that service. But we still get to cozy up.

Shocking news: Just now, for no extra charge, we can step into a lovely new outdoor safari at **Branson's Wild World**,—and get face to face and eyeball to eyeball with some lovable lions, tigers, wolves, cougars, jackals, dingoes, arctic foxes and more! **Goosebump alert:** These animals are adorable—until it suddenly dawns on one's self that folks like us, to them, could look kinda delicious!

Welcome to **Wild Valley**—the outdoor world of the indoor **Branson's Wild World!**

Follow us as we step outside of Branson's Wild World and enter a wild valley where we can get inches away from some magnificent beasts. By the time we read this, however, a beast-resistant see-thru super shield will keep our flesh from their paws, claws and jaws. So now we can safely charm them with sweet talk and stare admiringly into their deep, alluring eyes. And watch them stare back. Lock eyes. Lick teeth. Roar. *(Gulp.)*

This place was already one of the price friendliest animal attractions out there. So—with all these exciting new add-ons—are we ready to take a walk on the outdoor *wild side*?

Oh yeah! ♦

PHOTO OPS!

A WHOLE NEW WORLD! AT BRANSON'S WILD WORLD!

Whether you've been there before, or never before—Season 2022 is a whole new world at **Branson's Wild World!**

Expect new adventures, stunning new attractions, amazing background music that makes us feel like we're in an epic wildlife adventure, (which, of course actually we *are!*)—and once again, experience a **transformed shopping area** whose specialty gifts, toys and education items fulfill us animal lovers' wildest dreams!

Oh, and one more thing—expect new wildlife. *Much* new wildlife!

HANDS ON

Feed sharks. Real sharks. Get eyeball to eyeball with howling wolves, mountain lions, living dinosaurs—all returning stares mere inches away! Hold a boa. Pet dingos. Enter an undersea world and try a round of mini-golf, while sea creatures swim among you. Or just watch you.

ANOTHER WORLD!

As you will quickly discover during your website investigation, Branson's Wild World is no typical zoo and aquarium attraction. Here, wild animals are not hiding under rocks or snoozing in the dark shadows of some faraway corner. Instead, they inhabit beautifully crafted habitat that keeps them comfortable, active and happy while you visit their spaces—up close. Very up close.

NEW STUFF!

The Abyss: The Search for The Lost City of Atlantis! More crazy-looking sea creatures, like that 20' giant eel, or those 16' manta rays, or that "gulp" monster croc! Lots of new wild and crazy wildlife. Lots of new giant animatronics. Sort of a Disney gone wild. (Our words, not theirs.)

YeeeeEEESH!

SHARK TANK!

Mini-golf the Wild Abyss under the sea, as real creatures swim among you, (real and unreal)—or just watch.

WORLD CHANGERS

All winter long Branson's Wild World transformed the environment of this amazing attraction into an all-encompassing, immersive experience. As far as the scenery and theatrical effects, you might at first feel like you've entered a Disney creation. That notion soon evaporates, as the sights, sounds, and atmospheres transport you beyond the realm of fantasy and imagination and into the very worlds where those wild things dwell — a world you can feel, and even touch.

Snake Hugs!

CREATING ATTRACTIONS WORLDWIDE

The designer, owner and operator of Branson's Wild World is known throughout our wild world as a leading expert in the design of tourist attractions. After creating over 300 different attractions in over thirty countries, 47 year-old St. Louis native **James Kelly and his wife Lisa** have decided to call Branson home and make Branson's Wild World their labor of love.

GLOBETROTTERS!

World renown attractions designer James Kelly & his wife Lisa.

A creative visionary much like **Disney**, James seems to be constantly adding new animals and new attractions to Branson's Wild World. As we studiously observed, he seems very "hands on" and "24-7". We couldn't resist asking him—what's the motivation? More visitors? More money? More fame?

More *anything*?

To that, James shook his head "no."

"I do it 'cause it's fun."

And there you have it: the very reason why this place is so fun! ♦

NEW!

Have some hands-on fun with our rare and exotic Lemours! **Lemurs** (from Latin *lemures* – ghosts or spirits) are mammals native only to the island of Madagascar. They chiefly live in trees and are active at night.

Until shortly after humans arrived on the island around 2,000 years ago, there were lemurs as large as a male gorilla.

Modern studies of lemurs did not begin in earnest until the 1950s and 1960s. Initially hindered by political issues on Madagascar during the mid-1970s, field studies resumed in the 1980s.

Many lemur species have already gone extinct in the last 2000 years due to human activity. Because of these threats and their declining numbers, environmentalist groups consider lemurs to be the world's most endangered mammals, noting that as of 2013 up to 90% of all lemur species confront the threat of extinction in the wild within the next 20 to 25 years. Many efforts try to preserve lemur habitats as well as promote public awareness and appreciation for lemurs.

THE BECK MUSEUMS OF BRANSON PRESENT THE WORLD'S LARGEST TOY MUSEUM PLUS:

If you haven't been there lately, then you haven't been there. Giant new add-ons to this mega attraction have been rolling out over the last few months faster than a 1925 Lionel freight train!

Let's get one thing straight—yes it truly is the **World's Largest Toy Museum**, (over 1 million toys), but don't get stuck on that word "museum". This isn't just some relic show. For most folks, a trip here turns into one of the funnest experiences ever—whether the folks be Moms and Dads with the kids in tow, the grandfolks—or even (no kidding) newlyweds! Yes, you heard right—*newlyweds!* Seems toys spark memories that the newbies begin to vocalize—pretty much a giant leap in their new life of getting to know each other!

Fun Stuff Galore!

The minute you step inside this monster attraction comprised of six different inside pavilions, you'll feel more like you've walked into a lively theme park than some still-life-of-a museum!

The family of Doug and Andrea Fritz from Lakeland, Florida gazes excitedly at the attraction's 37 foot long HO gauge train complex. Four year-old Julia looks particularly fascinated, while little one-year-old Olivia appears borderline mesmerized! The exciting "show" includes switchyards running three main lines, freight loading, tunnels through mountains and valleys, and of course the sounds of those chugging locomotives and those "lonesome" whistles!

Among all the pleasant background noises of toys and games both mechanical and electronic, you are likely to hear shrieks

of delight, giggling kiddos—and the unmistakable soundtrack of voices telling the stories this place so magically inspires!
