

DMV Cheat Sheet
Class A-CDL + Endorsements

Languages

Commercial Driver License applicants who wish to drive on the interstate must be able to speak English.

- English is not a language requirement for Commercial Driver License applicants who only wish to drive in intrastate commerce.

Knowledge Test Information

You must take a general knowledge test. You may also be required to take additional knowledge tests, depending on which class of license and which endorsements you need.

- Test questions come from information found in the Texas Commercial Driver License Manual.
- The general knowledge test must be taken by all applicants and consists of 50 multiple-choice questions. To pass, applicants must answer 40 questions correctly.
- The passenger transport test consists of 20 multiple-choice questions. To pass, applicants must answer 16 questions correctly.
