Why join Evolution and Archer Travel?

Evolution Travel is a successful marketing company that sells the Archer Travel Home Based Travel Business. Evolution Travel, established in 2016 has years of continued consistent growth.

The Archer Travel Home Based Travel Program is backed by a 71-year-old, family owned and operated travel company that is nationally recognized as one of the best travel agencies in the industry with sales well over \$200 million annually.

What do I receive when I join Evolution and Archer?

- You will receive extensive travel agent training from Travel Professionals that provide more than a dozen live training courses and seminars weekly.
- You receive access to our library with hundreds of training sessions recorded by travel suppliers, agents, professional sales trainers and more.
- You have unlimited access to Archer Travel Staff top mentor and assist you with booking vacation and cruise packages for your clients, FREE!
- When you join you join the Evolution and Archer Family where the Village helps you to succeed.
- Evolution is dedicated to providing the tools, education, and resources for you to succeed. You have to provide the ambition, a positive attitude and energy to make your success happen.

What is the relationship between Archer and Evolution?

Archer Travel developed a program that allows you to have your own home-based business without a huge investment or sales requirements. Evolution Travel sells that program through thousands of distributors worldwide.

With offices in the USA, Australia, Mexico and soon in Europe we have the reach and infrastructure to continue sustainable growth for the long term.

Although Evolution and Archer are two separate companies with separate ownership, you join both companies simultaneously when you sign up for the program.

What do I receive for my monthly membership fee?

1. Licensing in all states in the USA as well as in all countries that require Seller of Travel Registration.
2. Professional Liability Insurance (E&O) as well as Archer's Fraud Protection program.
3. Ability to sell travel and earn the travel industry's highest commissions from all major travel suppliers.
4. The ability to recruit other agents where you earn money based on assisting them to be successful.
5. Extensive and Unlimited Travel Agent Training and Certification.
6. Guidance and mentoring from successful members of the program who believe that success is only achieved when all members participate.
7. Assistance and training on how to market your business with marketing and promotional materials, videos, and your own personal professional travel agent website.
8. Access to the highest levels in the company will assist in your success because theirs is tied to you.
9. Extensive customer service staff and personnel that you can call for any assistance you need.
10. Your very own business where you make all the decisions on how successful you want to be.
