

Chart your progress!

Set goals, achieve – and claim your badges

Everybody likes to keep an eye on their progress, set new goals – and to have something to show for it once you achieve them. That's where our Progress Awards come in. Let's take a quick look at what badges Archery GB offer and what you have to do to earn them.

You can find more information plus all the scores needed on the website under **Shoot>Compete>Compete>Awards-Records>Achievements**

Arrow awards

Available to under-16s, these come in red, blue and black, depending on age group. You need to shoot four of up to 12 relevant rounds including at least one World Archery or Metric round and one at an open competition.

Handicap Improvement Medal

Open to all members shooting outdoors. Awarded by clubs to the member who has the best improved handicap over a calendar year. The names of winners are published in Archery UK.

Progress Awards

Designed to encourage beginners and younger archers to develop their skills. Linked to educational key stages but open to all archers.

Rose Awards

Available in white, black, blue, red, gold and purple depending on their scores and age group. Can be claimed by juniors and seniors shooting at Rose Award-status Hereford, York and Bristol I-V tournaments.

Six gold, three gold, three and six clout

Can be claimed by seniors or juniors who shoot a six-gold end with recurve or compound bows or a three-gold end with longbow. The six-clout badge is for consecutive arrows in one end shot into the five-zone of an Archery GB clout tournament, with three clout badges for longbow.

Outdoor classifications

These range from third class to the highest - Grand Master Bowman – which is available in field, target and flight disciplines. They are: Grand Master Bowman, Master Bowman, Junior Master Bowman, Bowman, Junior Bowman, 1st Class, 2nd Class, 3rd Class. The best three qualifying scores need to be achieved in a calendar year at UK record status tournaments. Bowman and third to first class scores can be achieved at club target days and noted by club records officers

Tassel

Available to clout archers shooting double one-way or two-way Archery GB clout rounds with Tassel status. The scheme is run by Northern Counties Archery Society and it also administers a clout classification system.

World Archery Arrowhead

Open to all shooting recurve, compound or barebow at UK record status field tournaments with Arrowhead status.

World Archery Beginners' Arrow

Available in white, black, blue red and gold based on distances. For beginners over 12 based on scores, skill development and knowledge.

World Archery Beginners' Feather

In red and gold for beginners over 12 and some new archers with disabilities. Tests knowledge and skills over distance.

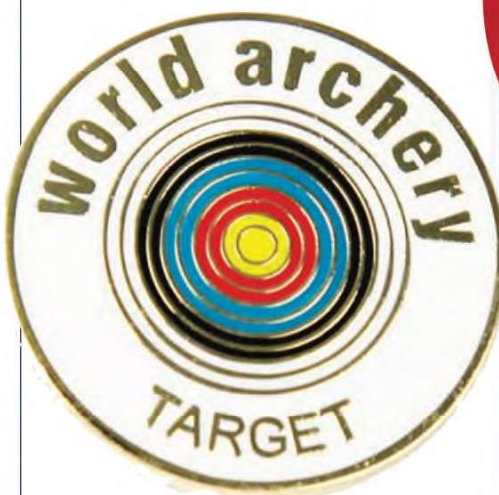

World Archery Silver Star

For under 17s or over 50s shooting at world record status events. Recurve badges are shield shaped. Compound badges are round. Available in plain, black, blue, red, gold and purple, depending on score.

World Archery Silver Target

Available in white, black, blue, red, gold and purple, depending on score. For under 17s or over 50s shooting world record status 60-metre rounds.

World Archery Star

Available in white, black, blue, red, gold and purple, depending on score. Available to under 17s shooting a cadet round. Recurve badges are shield shaped. Compound badges are round.

World Archery Target

Available in white, black, blue, red, gold and purple, depending on score, while shooting WA rounds at world record-status tournaments.
