

HIGH-STAKES COACHING & INTERVENTIONS

**You have a wicked leadership problem.
You have exhausted all options. You need a breakthrough.**

✓ Why dozens of companies trust us

- Decades of expertise working with leaders at the highest level.
- Hand-vetted coaches for each unique situation and business.
- Specific breakthrough protocol for challenging situations.
- We align business performance and people focus.
- Neuroscience backed approaches.

✓ Situations we help you navigate

1. Spiraling Team: Deadlines, targets, and morale are slipping and key talent is at risk.
2. Rogue Leader: The disruption is growing but they are hard to replace.
3. Leadership Breakdown: A leader is struggling, eroding trust and needs a turnaround.
4. Organizational Whiplash: Rapid shifts sparked challenges and stabilization is urgent.

✓ 4 positive outcomes you can expect

1. Vision, Alignment, and Execution: We assess and strengthen all three.
2. Behavior change: We identify and help behaviors derailing health and success.
3. Voluntary departure: We help leaders recognize when it's time to go.
4. Involuntary departure: When no other path remains, we expedite a respectful exit.
