BALANCER, ANGUS, SIMANGUS AND RED ANGUS BULLS**

Plus! 25 OPEN HEIFERS

*Swanson
Cattle
Company*

SWANSON CATTLE CO. 1 MI. N.

Welcome 40th Annual Swanson Cattle Bull Sale

40 Years of Commitment

This year marks a meaningful milestone as we host our 40th Annual Production Sale, celebrating 40 years of dedication to the seedstock business. Since 1984, we have poured in time, effort, and values into building a cattle program centered on function, longevity, and consistency. What began as a commitment to raising good cattle has grown into a program shaped by decades of hands-on experience, careful selection, and a deep respect for the cow herd.

From the beginning, Jeff believed in the advantages of heterosis and the importance of building cows that are practical, efficient, and dependable. Through intentional crossbreeding and strict culling, the focus has always remained on low-maintenance, durable maternal females. Cows are rigorously evaluated for disposition, feet, and udders, ensuring the foundation of the herd is built on soundness, fertility, and longevity. These females also excel in carcass merit, maternal ability, performance, and ease of calving—traits that have stood the test of time.

The cattle developed through this program have consistently proven themselves beyond the pasture. Over the years, cattle have been fed in more than 40 pens, typically gaining 3.3 to 4.0 pounds per day with yields from 64% to over 65%. Feeding results have consistently reached 90% to 100% Choice or better, along with feed conversions as efficient as 5.10. These outcomes reflect decades of practical decision-making and a disciplined approach to genetics and management.

This year's offering of bulls represents the continuation of our life's work. The set is deep, consistent, and backed by a strong selection of proven AI sires and herd sires raised within the program. These bulls are built to transmit muscle, fleshing ability, and structural soundness while producing high-quality feeder calves and dependable replacement females. Developed on a high-roughage ration, they are grown with longevity and functionality in mind—not pushed for short-term appearance.

In addition to the bull offering, 25 open heifers will be available, providing an opportunity to bring these proven genetics back into your cow herd.

As we celebrate this 40th sale, we are proud to honor the foundation we have built and grateful to the customers, neighbors, and friends who have supported this program over the years. We invite you to view the cattle prior to the sale and join us for lunch on sale day. We look forward to seeing you Tuesday, March 3rd, as we celebrate 40 years of cattle built to last.

*Jeff & Denice Swanson
Seth & Jami Swanson*

ONLINE BIDDING: The sale will be live on
DVAuction and LiveStock Market. Check our
website for details.

GUARANTEE: All bulls selling for \$4,500 or more will
carry a first breeding season guarantee. In the event a
bull dies in the first breeding season, we will credit
50% of the purchase price. If a problem arises, please
call us ASAP to discuss options.

HERD HEALTH: All bulls have been footrot vaccinated
poured, curtnet shots and will be fertility tested by
delivery.

BULL BOARD: Free board on all bulls until March 25th.
Feeding arrangements are available until May 1st @
\$4.00 per day. We offer free delivery within a 200-
mile radius on bull purchases of \$5,000 or more. We
will assist with delivery on all purchases. Delivery will
start in mid-March. Heifers will need picked up within
1-3 Days.

SEMEN INTEREST: SCC is going to retain 50% semen
interest in all bulls selling. This means that if semen
sales develop on a bull, the buyer and seller would split
revenue equally. Also if the seller would want to use
the bull for in-herd use, the seller would collect the
bull at the seller's expense and the buyer's
convenience. The buyer would have all possession
rights.

TERMS OF SALE: Cash, unless other arrangements are
made prior to the sale. Announcements made on the
day of the sale take precedence over any printed
materials.

BIDDING: All animals sell to the highest bidder. Any
disputes or challenges regarding bids shall be settled
by the auctioneer and his decision shall be final.
Telephoned bids may be forwarded to the auctioneer.
representatives, or herdsman and will be handled with
strictest confidence. Prior arrangements for
telephone bids at sale time must be made.

LIABILITY: All precautions possible will be taken to
protect the safety of the buyers and others attending
the sale. Nevertheless, no responsibility will be
assumed by the auctioneer or the host ranch in the
event of accidents or of loss or damage of property.

VOLUME DISCOUNTS: Purchase 5 or more bulls for a
5% discount.

In the event of inclement weather, please call 308-991-0727 or tune in to KRVN Radio for updates.

Swanson Cattle Company's Howard Bull is truly a standout in the breeding industry. His dam, 489B, is exceptional, showcasing an impressive udder, a refined front end, substantial rib capacity, and rear quarter. Howard exhibits remarkable agility, moving with the grace of a cat, and boasts a broad top, deep body, and heavy muscle. His progeny are equally impressive, and he undoubtedly ranks among the finest bulls ever produced on the ranch. Notably, Howard sired the champion balancer heifer at the Nile event in Billings, Montana, in the fall of 2023.

Swanson Cattle Co is proud to be recognized as a Cow Power Elite herd by the American Gelbvieh Association. We've committed to genotyping all our females to help us identify the most productive, maternally efficient, and profitable genetics in our herd.

Genomic testing helps us gain more accurate EPDs and verified pedigrees meaning greater confidence for our customers. These insights guide smarter selection decisions and add long-term value to our females and the calves they produce.

KAW LIGA is a high-performance Gelbvieh sire ranking in the top 1% for WW (96) and top 4% for YW (137), while maintaining solid calving ease (CED 10) and strong maternal strength (22 Milk, 70 TM). He backs it up with real-world performance, posting a 107 weaning ratio and 106 yearling ratio, along with added muscle and carcass merit. Kaw Liga offers a powerful combination of growth, efficiency, and functionality for progressive cow herds.

NEWS FLASH is an elite calving-ease Balancer sire posting an outstanding CED 20 and BW -4.3, making him an excellent choice for heifers without sacrificing performance. He adds balanced growth (70 WW, 107 YW), solid maternal strength (20 Milk, 56 TM), and strong carcass merit highlighted by 0.49 REA and 0.54 Marbling. With real-world data backing his numbers and increasing progeny counts, News Flash offers a rare blend of calving ease, maternal value, and end-product quality.

YEARLING BALANCER BULLS

Reference Sire PLA YELLOWSTONE 14K

AMGV1556585

7
SONS SELL

Yellowstone is a powerful, growth-oriented Balancer sire that combines performance, maternal strength, and structural integrity. He posts a balanced EPD profile with 75 WW and 137 YW, while maintaining a usable 12 CED and 0.1 BW, making him flexible across cow types. Yellowstone excels maternally with 27 Milk and 62 Total Maternal, and his performance is backed up on paper and on the hoof with a 108 weaning ratio and 118 yearling ratio. Ultrasound data further supports his value, recording a 112 REA ratio with solid carcass balance. Structurally sound, deep-bodied, and stout made, Yellowstone represents the kind of practical, real-world Balancer bull that can add growth, maternal productivity, and long-term value to progressive herds.

SONS SELL

ICE MAN is a balanced Balancer sire offering calving ease (CED 11, BW 0.6) with solid growth (72 WW, 102 YW) and functional maternal value (11 Milk, 46 TM). His performance is validated in the marketplace, having sired the top-selling open heifer at the Elite #3 sale in Kearney, Nebraska, in November 2024, commanding \$7,700 and noted for her exceptional phenotype and maternal promise. Ice Man adds muscle and carcass merit (0.60 REA EPD) while producing cattle suited to both quality replacement females and efficient feeder cattle.

Grappler is a powerful Balancer sire with a pedigree backed by a strong cow family and practical performance. He records solid birth to yearling growth numbers (e.g., -2.6 BW, 77 WW, 129 YW) and offers maternal strength (19 Milk, 57 TM) while still maintaining calving-ease traits – making him a versatile choice for both seedstock and commercial programs. Grappler is well-structured, deep-bodied, and carries the kind of phenotype that works in real-world herds – sound on his feet with good feet and leg quality and plenty of muscle expression. His balance of growth, maternal value, and structural integrity positions him as a dependable option to add performance and profitability to the next calf crop.

True Grit is a consistent favorite at ORigen and a high-volume semen producer widely used in heifer-breeding programs. A top-selling bull from the record-setting 2022 Basin offering, he provides an outcross calving-ease option backed by strong maternal strength. His progeny continue to validate his EPDs with excellent birth ratios, elite Milk, and above-average carcass merit, making him suitable for diverse environments, including high altitude. Market demand has been exceptional, with sons from his first calf crop leading the 2024 Basin bull sale and daughters commanding top prices in Basin female offerings.

Fortunate combines a powerful bull phenotype with a legendary donor dam, an outcross sire, and breed-leading EPDs, making him a logical addition to any sire battery for 2025. Extra long-sided, deep-ribbed, and possessing a truly long, powerful hip, he left a lasting impression on everyone who evaluated him on sale day. Early calf reports have been very encouraging, with above-average calving ease and thick, attractive progeny. With 13 traits ranking in the top 15% of the breed and an additional five in the top 30%, Fortunate stands out as one of the most complete and balanced sires available.

America is the \$1,887,500 valuation, all-time top-selling, world-record son of President and one of the most unique breeding pieces ever produced at Schaff Angus Valley. He shattered breed and sale records, including the all-time 205-day weight record of 1,107 pounds, and sold 80% semen interest for a historic \$1.51 million. America pairs elite performance with a balanced EPD profile highlighted by exceptional growth & carcass value while maintaining practical calving ease and maternal strength. Produced from the final embryo of the legendary SAV Madame Pride 0075, America is a truly one-of-a-kind sire destined to make a lasting impact at Herbster Angus Farms.

CED	BW	WW	YW	MLK	TM	CREA	MARB	FPI
23	-5.0	110	182	25	80	0.43	1.09	247.59

Dynamic is an elite calving-ease sire that combines an overpowering physical presence with exceptional base width, thickness, and internal dimension. A true genomic standout, he ranks at the very top of the breed for CED (23), BW (-5.0), WW (110), and YW (182), offering an unmatched combination of calving ease, performance, and accuracy. With elite maternal strength (23 Milk, 80 TM) and strong carcass merit highlighted by 1.09 Marbling, Dynamic stands alone as a highly proven sire whose balanced excellence is unmatched in the Angus breed today.

Stockyard was the leadoff bull of both a powerful flush and an elite set of bulls at the 2023 Lemke Cattle sale and has quickly emerged as one of the hottest young sires on the market. He offers an uncommon combination of calving ease, performance, marbling, and eye-appealing phenotype, ranking in the top 10% of the breed for eight traits and indexes including CED, YW, MARB, and REA. A true stockman's kind, Stockyard is dense-made, thick-ended, and deep-bodied, with exceptional rib, flank, and fleshing ability, all backed by a young donor dam known for producing cattle with quality, performance, and outstanding udders.

Pledge is an elite Red Angus calving-ease sire ranking in the top 2% for CED (21) and top 1% for BW (-6.2), making him an outstanding choice for heifer programs. He is a proven female producer with strong maternal value (23 Milk, 54 TM) and ranks in the top 1% of the breed for Marbling (1.16), reinforcing his ability to generate high-quality replacement females and valuable feeder cattle. At eight years of age, Pledge continues to perform with impressive longevity, and retaining his daughters is highly recommended for producers focused on long-term herd improvement.
