

In the Land Where Beetles Rule

Author: Suniti Namjoshi

Illustrator: Krishna Bala Sheno

Level 4

In the land where beetles rule
Feet may not touch the ground.

In the land where mice are men
Huge hares hunt the hound.

In the land of snowy owls
Night and day are turned around.

In the land of nightingales
No other voice may sing or sound.

In the land where humans rage
Everyone goes underground.

In the land where fish are first
Oceans eat up all the ground.

In the land where the full moon reigns
Bats and acrobats astound.

In the land where the spotted deer live

Axes are barred, trees abound.

In the Land Where Beetles Rule

(English)

What would happen if the beetles were in charge? Or if fish ruled the world? This fantastical poem offers a powerful glimpse into worlds where nature comes first.

This is a Level 4 book for children who can read fluently and with confidence.

Pratham Books goes digital to weave a whole new chapter in the realm of multilingual children's stories. Knitting together children, authors, illustrators and publishers. Folding in teachers, and translators. To create a rich fabric of openly licensed multilingual stories for the children of India and the world. Our unique online platform, StoryWeaver, is a playground where children, parents, teachers and librarians can get creative. Come, start weaving today, and help us get a book in every child's hand!
