Section B – Additional information

Are there any known site anomalies or constraints? Yes No

If yes, please give details below. This is anything that may interfere with the work, for example, ponds, streams, conservation areas, listed buildings, manholes, railway tracks, emergency service facilities etc.

Are there any known site anomalies or constraints? Yes No

Is there anything that affects the time we can work? e.g. being near a school or on a busy street.

Yes No

If yes, please give details below.

If we need to lay pipes across any 3rd party private land, then you may need to arrange for an easement/servitude or consent across this land. This will need to be negotiated prior to commencement of work. Your quote will include further details.

What is the date you first require gas on?

I certify that the information given is correct to the best of my knowledge.

Signature:

Print name:

Date:

If the site of the work is in **United Kingdom**, please return your application to Email: admin@masutilities.co.uk
