LOOM NEWS

Where did they get the Moose Lodge from? Moose are known to protect the young and the old.

There has been a lot going on in the past couple of months. From anger, sadness, confusion, gossip and much more. All these emotions are not something that we can keep having in our Lodge. We need to remember why we are all here and why we all became Moose Members.

Lodge 1368 is home for many people, it's a safe place that we can go when we want to celebrate or need someone to listen. We are a very large dysfunctional family; we are all some people have. We all know way more about one another than I'm sure we'd like to, but it's who we are!

The love, support, and positive comments that I got when I took on this position is why I kept on going. There has been a lot of hard decisions, late nights, sweat, and challenges that I never expected, but I wouldn't have been able to do without the support from many members. That support, love and positivity needs to start being put into the Lodge. Many have not come in because of the changes that have been made, it's okay to be angry, upset, confused and everything else. But not coming in and boycotting the Lodge is only affecting your Lodge. If we don't have the business, volunteers, and much more then there will be no Lodge to even be a member to. Canceling events because of not having volunteers and because no one shows up is only hurting the Lodge.

There are a lot of fun events coming up in May & June and this summer, I truly hope we start to see more people come out and support not only the Lodge but also the bartenders, WOTM as well as the little volunteers that we have. I want to thank the bartenders and volunteers for sticking it out while we get thru this rough patch, because if we didn't have them, we wouldn't have a social quarter to open.

We will be going back to our old hours, Monday thru Friday opening at 3:30. We will be adding new foods, entertainment, along with events.

If you have any idea's, comments, or concern's please feel free to reach out. If I am not at the Lodge, you are more than welcome to call, text, or leave a voice mail and I will be sure to get back to you.

WOTM NEWS

Dear Co-workers,

Another year has come and gone. We are looking forward to a new chapter year. But this also means that the 3 years of free dues has come to an end, so most of you will start receiving notices for renewal of your WOTM dues. We encourage you to please renew. So that we can continue to serve Mooseheart, Moosehaven and the community. We are planning some fund raising activities to do. We encourage anyone with ideas to please feel free to contact anyone on the Board, which is Shari Young Senior Regent, Sandy Drafall Secretary, Jill Vergara Recorder. We also want to thank Robin Buenrostro for her years as Recorder. We have Win Place and Show coming up May 4th from 1-4 We also are having a hat contest for the Best Derby Hat.

Please stay tune for more. Lets make this a great year full of fun and laughs.

If you are experiencing hard times or difficulty with paying you dues, Please feel free to reach out to us as we might be able to help you in some way. Again feel free to contact any of us with any thoughts ideas or concerns.

Looking Forward

Sincerely

MOOSE PROUD PAST, BRIGHT FUTURE

May 1, 2023 - April 30, 2024

We are proud of the history of this great Fraternity. While keeping our past successes in mind, we look forward to the bright future with like-minded members who continue to play an important role in their local communities and supporting Mooseheart and Moosehaven for years to come. Working together, our future is bright.

Contributions are courtesy of your Association, the Women of the Moose and the Moose Legion.
