Dear potential sponsor,

Every day, Una Bella Vita Tucson stands beside adolescents and their families who are navigating the painful and complex journey of eating disorders.

We are the only support service in Arizona listed on the National Eating Disorders Association's website, which is both a meaningful recognition and a stark reminder of the need for more support.

We founded Bella Vita Tucson in 2023 because our own family experienced the heartbreak of this illness firsthand. We know how isolating it can be; not just for the young person affected, but for their entire support system.

That's why our mission is simple, heartfelt, and urgent: Adolescent & Family Eating Disorder Support Rooted in Community.

In that spirit, we're proud to announce our first-ever solo fundraising event, Bingo for Bella Vita, taking place on September 25th.

Bingo might just be the perfect fundraiser for an organization like ours. Why? Because it invites people of all ages to join in, without any need for physical exertion, a critical consideration when caring for individuals in eating disorder recovery. Unlike other events that rely on high-energy participation, bingo welcomes everyone to simply be present, laugh, connect, and play. It's inclusive, low-impact, and joy-filled.

Bingo also has a rich history of bringing people together, and that's what Bella Vita Tucson is all about: offering compassionate support in a way that fosters a sense of belonging and healing.

We warmly invite you to join us in making this event a success. Your sponsorship will directly fund our no-cost processing groups, help pay for the practitioner appointments that are not covered by insurance, as well as allowing us to put a percentage of each dollar raised aside to help us open a PHP and IOP program further enabling us to reach more families in crisis and ensure that no one has to walk this path alone in Southern Arizona.

Together, we can bring hope, support, and community to where it's needed most.

With heartfelt gratitude,

Nick Mendibles Errin Mendibles

THANK YOU

Since opening our doors in 2023, Bella Vita Tucson has supported more than 80 families navigating the complex world of adolescent eating disorders. But we're just getting started.

Your sponsorship doesn't just sustain what we've built; it breathes life into what comes next. It fuels new programs, opens doors to vital collaborations, and ensures that no family in Arizona has to face this journey alone.

Together, we can make eating disorders a distant memory, for one more teen, one more family, one more story at a time.

Thank you for believing in this mission.
