

COLLATAN

Our machines are fitted with the
Sunfit CollaTan lamps.
The latest in tanning lamp innovation.

CollaTan lamps have the best of
Sunfit Tanning and Collagenic Red Light Therapy
lamps combined:

- UVA light •

For a direct, intensive and attractive tan

- UVB light •

For the production of melanin and Vitamin D;
to get a natural, long-lasting tanned skin

- Collagenic light •

For a soothing, rejuvenated and blemish free skin.

This unique combination also provides
additional benefits of Collagen stimulation,
leaving the skin clean and rejuvenated.
Plus it stimulates blood circulation and boosts levels
of serotonin - the body's natural Happy Hormone.

For more information about the
Sunfit CollaTan lamps, ask our reception.
