 shutter and shade solutions

The **MAGNUM** slat profile is the latest in security and storm shutter profiles. Due to its small housing sizes and high ratings, the slat has gained much popularity for security and storm prone areas.

Slat Retention Lock Tracks

Our one-of-a-kind "end retention system" eliminates the need for storm bars. This patented technology allows for SMOOTHER, QUIETER shutter operation.

- 20 ft tall max shutter height
- Snap in screw cavity cover

Slat view options

3 view through options

- **Solid**
 - "Default" no windows
- **Window**
 - Large 4" wide window
- **Perforation**
 - House pattern perforation
