Family Happenings

2019! New Year's Eve celebration hosted by Mike and Michelle Muirhead was a great success with 25 – 30 people (ranging in age from 20 months - 86 years) enjoying a time of board games – food - group games – food – playing and more. Lots of love & laughter filled the building with several managing to 'hang in' till midnight and join the kids with our noise makers. We ended the evening singing 'The Family of God' and a prayer of thanksgiving! Thanks Mike and Michelle for a fun evening!

Blessings

A short time ago, prayers were requested for Tammy (friend to friends of Skip & Mariann). Cold/flu/pneumonia complications saw Tammy rushed to Regina hospital and put on life support. Slow but steady improvements were made over time with Tammy being released and allowed to go home to Moose Jaw to continue to recuperate in the hospital there. LAST news we received is that she has been released from hospital and is doing well. Thank you for your prayers.

Darell Morgan is doing very well with his treatments. Connie wants to thank you all so much for continued prayers.
