

Privacy Policy

Your privacy is extremely important to us. All of our client's data, and/or potential client's data, is only used by us or our subcontractors (who follow our rules) internally. We never share your data externally (unless required by law).

Indemnity

Except where prohibited by law, you agree to indemnify and hold Higher Powered, LLC harmless against any and all claims and actions arising from the engineering, design, procurement, construction, installation, operation, or maintenance of the photovoltaic system, including any and all related system components (collectively “the Activity”) incurred in connection with any liability, suit, action, loss, or damage arising or resulting from the participation of Higher Powered, LLC. in the Activity.
