

HEALTH, SAFETY, SECURITY & ENVIRONMENTAL - PROTECTION POLICY

Offshore Marine Contractors is committed to providing a safe, secure and healthy work environment for all of our employees and customers. The health, safety, and security of people and protection of the environment are of the utmost consideration in any operation conducted by Offshore Marine Contractors. It is crucial that each employee and contractor of the Company understands his/her responsibility for his or her own health, safety, security, and in protecting the environment. No job is so vital that the Company will not take the time to complete it safely and pollution free. The Company is committed to assure all operations are carried out with due regard for the health, safety and security of its employees, contractors, and the public. The Company shall ensure safety at sea, prevention of human injury or loss of life, and avoidance of damage to property and the environment. Furthermore, the Company will in the conduct of its operations utilize management systems to assure excellence in marine transportation and offshore support service.

A handwritten signature in black ink, appearing to read "Michael Eymard", is written over a horizontal line.
